

UNIVERSITY OF WISCONSIN
WHITEWATER

Recreation Sports and Facilities

The Club Sports program is dedicated to providing the UW-Whitewater campus communities with activities & programs that are safe, fair and fun in a welcoming environment. Our staff acknowledges and sincerely appreciates the value our club members (both active and prospective) place on the opportunities club teams present to remain competitive and recreate in a team environment. We know the past year was challenging for many, if not all of our 30+ clubs and we are committed to rectifying those challenges in 2021-22 the best way we possibly can given the resources at our disposal.

From a programming and scheduling standpoint, we must remain flexible and adapt to any changes we are presented with at any given moment. While we will do everything possible to stick to the practice and events schedules we have been posting since July 2021, it is important we all must acknowledge the possibility that operations may need to change; even in the middle of a team's season (if applicable).

There is no one specific way to navigate the challenges we have all been presented with. We anticipate questions and concerns to be addressed to our staff regularly and we will treat each circumstance with the respect and attention it deserves. We will, of course, keep fairness and equity at the forefront of how we make our decisions, although we ask our participants understand not every decision may seem consistent given how situations change/evolve.

The program intends to offer more traditional operations, governed by our traditional rules, policies and procedures as they are outlined in the Club Sports Operations Manual and other applicable campus resources. In the event alterations to any facet of the Club Sports program must be made, we ask the campus community check the following resources:

- Rec Sports Website
- Individual Club Connect Pages
- The FREE "UW-W Rec Sports App"
- Williams Center Signage

Regardless of what situation we are all presented with, our team will do our very best to continue to make Club Sports happen for everyone who wishes to be involved. We thank you in-advance for your patience, understanding and interest/involvement in the Club Sports program! We look forward to having a fantastic year with everyone. You deserve it!
