T-Shirts come in sizes ranging from S to XXL. Shirts may be available for immediate pick up following the conclusion of a championship contest. In the event an individual wishes to exchange one size for another, they are permitted to do so as long as sizes remain.

There is no cap on the number of shirts an individual may win over the course of an academic year. In the event shirt supplies are running low, priority will be given to an individual who has not yet won a shirt.

In the event a team has more eligible members rostered more than the shirt limit team captain is responsible for selecting roster members who receive shirts.

At the end of the current semester, team members who are eligible but did not receive shirts may inquire about shirt availability.

In addition to receiving shirts, champions will have their pictures taken and posted online in our virtual "Wall of Champions."
