▶ **Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.**
 ▶ **Give Form W-4 to your employer.**
 ▶ **Your withholding is subject to review by the IRS.**

2020

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		▶ Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
	City or town, state, and ZIP code		
	(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly (or Qualifying widow(er)) <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, when to use the online estimator, and privacy.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for most accurate withholding for this step (and Steps 3–4); **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below for roughly accurate withholding; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld ▶

TIP: To be accurate, submit a 2020 Form W-4 for all other jobs. If you (or your spouse) have self-employment income, including as an independent contractor, use the estimator.

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependents	If your income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000 ▶ \$ _____		
	Multiply the number of other dependents by \$500 ▶ \$ _____		
	Add the amounts above and enter the total here	3	\$ _____
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$ _____
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	4(b)	\$ _____

General Instructions

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505.

Exemption from withholding. You may claim exemption from withholding for 2020 if you meet both of the following conditions: you had no federal income tax liability in 2019 and you expect to have no federal income tax liability in 2020. You had no federal income tax liability in 2019 if (1) your total tax on line 16 on your 2019 Form 1040 or 1040-SR is zero (or less than the sum of lines 18a, 18b, and 18c), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2020 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1a, 1b, and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2021.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Have dividend or capital gain income, or are subject to additional taxes, such as the additional Medicare tax;
3. Have self-employment income (see below); or
4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. Step 3 of Form W-4 provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 972, Child Tax Credit and Credit for Other Dependents. You can also include **other tax credits** in this step, such as education tax credits and the foreign tax credit. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2020 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2020 itemized deductions (from Schedule A (Form 1040 or 1040-SR)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 10% of your income
2 Enter: { \$24,800 if you're married filing jointly or qualifying widow(er); \$18,650 if you're head of household; \$12,400 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Schedule 1 (Form 1040 or 1040-SR)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

Note: These instructions are written for employees to address withholding from wages. However, this form can also be completed and submitted to a payor if an agreement was made to voluntarily withhold Illinois Income tax from other (non-wage) Illinois income.

Who must complete Form IL-W-4?

If you are an employee, you must complete this form so your employer can withhold the correct amount of Illinois Income Tax from your pay. The amount withheld from your pay depends, in part, on the number of allowances you claim on this form.

Even if you claimed exemption from withholding on your federal Form W-4, U.S. Employee's Withholding Allowance Certificate, because you do not expect to owe any federal income tax, you may be required to have Illinois Income Tax withheld from your pay (see Publication 130, Who is Required to Withhold Illinois Income Tax). If you are claiming exempt status from Illinois withholding, you must check the exempt status box on Form IL-W-4 and sign and date the certificate. Do not complete Lines 1 through 3.

If you are a resident of Iowa, Kentucky, Michigan, or Wisconsin, or a military spouse, see Form W-5-NR, Employee's Statement of Nonresidence in Illinois, to determine if you are exempt.

Note If you do not file a completed Form IL-W-4 with your employer, if you fail to sign the form or to include all necessary information, or if you alter the form, your employer must withhold Illinois Income Tax on the entire amount of your compensation, without allowing any exemptions.

When must I submit this form?

You should complete this form and give it to your employer on or before the date you start work. You must submit Form IL-W-4 when Illinois Income Tax is required to be withheld from compensation that you receive as an employee. You may file a new Form IL-W-4 any time your withholding allowances increase. If the number of your claimed allowances decreases, you **must** file a new Form IL-W-4 within 10 days. However, the death of a spouse or a dependent does not affect your withholding allowances until the next tax year.

When does my Form IL-W-4 take effect?

If you do not already have a Form IL-W-4 on file with your employer, this form

will be effective for the first payment of compensation made to you after this form is filed. If you already have a Form IL-W-4 on file with this employer, your employer may allow any change you file on this form to become effective immediately, but is not required by law to change your withholding until the first payment of compensation is made to you after the first day of the next calendar quarter (that is, January 1, April 1, July 1, or October 1) that falls at least 30 days after the date you file the change with your employer.

Example: If you have a baby and file a new Form IL-W-4 with your employer to claim an additional allowance for the baby, your employer may immediately change the withholding for all future payments of compensation. However, if you file the new form on September 1, your employer does not have to change your withholding until the first payment of compensation is made to you after October 1. If you file the new form on September 2, your employer does not have to change your withholding until the first payment of compensation made to you after December 31.

How long is Form IL-W-4 valid?

Your Form IL-W-4 remains valid until a new form you have submitted takes effect or until your employer is required by the Department to disregard it. Your employer is required to disregard your Form IL-W-4 if

- you claim total exemption from Illinois Income Tax withholding, but you have not filed a federal Form W-4 claiming total exemption, or
- the Internal Revenue Service (IRS) has instructed your employer to disregard your federal Form W-4.

What is an "exemption"?

An "exemption" is a dollar amount on which you do not have to pay Illinois Income Tax that you may claim on your Illinois Income tax return.

What is an "allowance"?

The dollar amount that is exempt from Illinois Income Tax is based on the number of allowances you claim on this form. As an employee, you receive one allowance unless you are claimed as a dependent on another person's tax return (e.g., your parents claim you as a dependent on their tax return). If you are married, you may claim additional allowances for your spouse and any dependents that you are entitled to claim for federal income tax purposes. You also will receive additional allowances if you or your spouse are age 65 or older, or if you or your spouse are legally blind.

Note: For tax years beginning on or after January 1, 2017, the personal exemption allowance, and additional allowances if you or your spouse are age 65 or older, or if you or your spouse are legally blind, may **not** be claimed on your Form IL-1040 if your adjusted gross income for the taxable year exceeds \$500,000 for returns with a federal filing status of married filing jointly, or \$250,000 for all other returns. You may complete a new Form IL-W-4 to update your exemption amounts and increase your Illinois withholding.

How do I figure the correct number of allowances?

Complete the worksheet on the back of this page to figure the correct number of allowances you are entitled to claim. Give your completed Form IL-W-4 to your employer. Keep the worksheet for your records.

Note If you have more than one job or your spouse works, your withholding usually will be more accurate if you claim all of your allowances on the Form IL-W-4 for the highest-paying job and claim zero on all of your other IL-W-4 forms.

How do I avoid underpaying my tax and owing a penalty?

You can avoid underpayment by reducing the number of allowances or requesting that your employer withhold an additional amount from your pay. Even if your withholding covers the tax you owe on your wages, if you have non-wage income that is taxable, such as interest on a bank account or dividends on an investment, you may have additional tax liability. If you owe more than \$500 tax at the end of the year, you may owe a late-payment penalty or will be required to make estimated tax payments. For additional information on penalties see Publication 103, Uniform Penalties and Interest. Visit our website at tax.illinois.gov to obtain a copy.

Illinois Withholding Allowance Worksheet

General Information

Use this worksheet as a guide to figure your total withholding allowances you may enter on your Form IL-W-4.

Complete Step 1.

Complete Step 2 if

- you (or your spouse) are age 65 or older or legally blind, or
- you wrote an amount on Line 4 of the Deductions Worksheet for federal Form W-4.

If you have more than one job or your spouse works, your withholding usually will be more accurate if you claim all of your allowances on the Form IL-W-4 for the highest-paying job and claim zero on all of your other IL-W-4 forms.

You may reduce the number of allowances or request that your employer withhold an additional amount from your pay, which may help avoid having too little tax withheld.

Step 1: Figure your basic personal allowances (including allowances for dependents)

Check all that apply:

- No one else can claim me as a dependent.
- I can claim my spouse as a dependent.

- 1 Enter the total number of boxes you checked. 1 _____
- 2 Enter the number of dependents (other than you or your spouse) you will claim on your tax return. 2 _____
- 3 Add Lines 1 and 2. Enter the result. This is the total number of basic personal allowances to which you are **entitled**. You are not required to claim these allowances. The number of basic personal allowances that you choose to claim will determine how much money is withheld from your pay. See Line 4 for more information. 3 _____
- 4 Enter the total number of basic personal allowances you choose to claim on this line and Line 1 of Form IL-W-4 below. This number may not exceed the amount on Line 3 above, however you can claim as few as zero. Entering lower numbers here will result in more money being withheld(deducted) from your pay. 4 _____

Step 2: Figure your additional allowances

Check all that apply:

- I am 65 or older.
- I am legally blind.
- My spouse is 65 or older.
- My spouse is legally blind.

- 5 Enter the total number of boxes you checked. 5 _____
- 6 Enter any amount that you reported on Line 4 of the Deductions Worksheet for federal Form W-4 plus any additional Illinois subtractions or deductions. 6 _____
- 7 Divide Line 6 by 1,000. Round to the nearest whole number. Enter the result on Line 7. 7 _____
- 8 Add Lines 5 and 7. Enter the result. This is the total number of additional allowances to which you are **entitled**. You are not required to claim these allowances. The number of additional allowances that you choose to claim will determine how much money is withheld from your pay. 8 _____
- 9 Enter the total number of additional allowances you elect to claim on Line 2 of Form IL-W-4, below. This number may not exceed the amount on Line 8 above, however you can claim as few as zero. Entering lower numbers here will result in more money being withheld(deducted) from your pay. 9 _____

IMPORTANT: If you want to have additional amounts withheld from your pay, you may enter a dollar amount on Line 3 of Form IL-W-4 below. This amount will be deducted from your pay in addition to the amounts that are withheld as a result of the allowances you have claimed.

Check this box if the entire amount of your direct deposit is ultimately deposited to a financial institution outside of the United States.

Read statement carefully: I authorize the University of Wisconsin to direct deposit funds to my account in the financial institution listed above. If funds to which I am **not** entitled are deposited in my account, I authorize the University to initiate a correcting (debit) entry. **I understand that the authorization may be rejected or discontinued by the University at any time (see back for details).** If any of the above information changes, I will promptly complete a new authorization agreement. If the direct deposit is not stopped before closing an account, funds payable to you will be returned to the University for distribution. This will delay your check.

Direct Deposit of Payroll

Note: Student Hourly employees are required to sign up for direct deposit as a condition of employment.

As an employee of the University of Wisconsin System, you are provided the convenience and security of having your pay automatically deposited into your personal bank, credit union or financial institution account.

Automatic deposit of your pay into the personal account of your choice means you can:

- Be assured your pay will be deposited on payday even when you are on vacation or out of town.*
- Eliminate the danger of lost or stolen pay cards.

***While most financial institutions post funds to accounts at the beginning of the bank business day, this is not a universal practice. It is strongly recommended that you check with your financial institution to determine when your funds will be available.**

You may choose up to **three (3) accounts**, savings and/or checking, to have your pay directly deposited as long as the following conditions are met:

1. Your financial institution(s) is located in the USA or Puerto Rico and is a member of the Automated Clearing House Association (ACHA); and
2. 100% of your net pay is committed to direct deposit.

Tips on Providing Checking Account Information

Check Example:

1 1 2 3 4 5 6 7 8 9 1 0	7 0 0 0 1 2 4 9 8 1 1 *	1 0 0 1
Routing Number (Exactly 9 digits)	Account Number	Check Number

Do not include your check number, which appears to the right of both your Routing Number and your Checking Account Number. Your check number will match the number printed at the upper right corner of your check. **Do not use the routing number at the bottom of a deposit slip as this number may not be correct.**

It is recommended that you check with your financial institution to verify the routing number for direct deposit. Incorrect routing and account information may cause a delay in receiving your funds.

This layout applies only to personal checking accounts and not to money market accounts. You will need to contact your money market advisor to get the necessary information for a money market account.

Common Questions about direct deposit:

How do I know that a deposit has been made to my account?

Your earnings statement will show how much you have earned, a detail of your deductions, and how much has been deposited to your account(s). Your financial institution will show the deposit on your monthly statement.

Where do I find my earnings statement?

Your earnings statement can be found in the Payroll Information app in the MyUW portal located at <https://my.wisconsin.edu/>. UW-Madison employees should use MyUW Madison at: <https://my.wisc.edu/>.

When will direct deposit begin?

The first pay period after the Payroll Office receives your direct deposit authorization form. Keep in mind that most payrolls are processed up to one week prior to the actual pay date. Please verify with your financial institution on your pay date that your direct deposit has gone into effect.

When will my pay be deposited into my account?

Your pay will be deposited into your account(s) on your pay day. Funds will not be available prior to that date.

What do I do if I want to change financial institutions or accounts once I am enrolled in the program?

If you change your financial institution or account, you must complete a new authorization form as soon as possible. You must include all of your accounts on the new form, even those accounts for which you are not making changes. For these accounts, simply provide the required information and check the "No Change" box.

What will happen to my direct deposit if I cancel my account with my financial institution but don't cancel my direct deposit with the University of Wisconsin prior to the payroll being processed?

Your direct deposit will automatically be sent as though the account(s) were open. All funds submitted to the closed account will not become available until such funds are returned to the University of Wisconsin System by the financial institution. A pay card or paper check will then be issued. This may delay your payment.

Can I direct deposit my pay into more than one financial institution account?

Yes. If you choose to direct deposit into two or three accounts, you must designate one account as your primary account and the others as a second and third account. The second and third accounts will require either a fixed amount or a percentage of net pay. Your pay will be split into the multiple accounts with the fixed and or percentage amounts deposited first and all remaining pay deposited to the primary account (unless 100% of your pay is deposited into the second and third accounts).

Does it matter whether I designate my savings account as my primary account?

No. You may direct deposit into a checking or savings account, or any combination of up to three accounts.

If I have been gone for a period of time (or terminated employment) and return to work, do I need to complete a new form? (Examples: leave of absence without pay, sabbatical leave, etc.)

Possibly. Your direct deposit will remain active for up to fifteen months with **no** payroll activity. After that period of time all direct deposits will be inactivated and new forms will be required. **Please note:** If your financial institution or account numbers have changed, it is imperative that you submit a new direct deposit form.

Do I need to submit a new direct deposit form if I am changing departments?

No, your existing authorization form will remain in force.

Why would my direct deposit not be processed?

Possible reasons the entry of this information may be delayed:

- Writing is illegible.
- Missing data.
- Primary Account Net Pay amount is less than full Net Pay and missing Second Account information.
- Form received too late for processing prior to bi-weekly or monthly final payroll calculation
- Your completed form is received by email.
- Form has not passed campus identity validation.

Where do I submit my completed form?

UW-Madison employees should submit their form in person to: Office of Human Resources
21 N. Park St., Suite 5101
Madison, WI 53715

All other employees should submit their completed form to their central payroll office:

Agreement and Verification of Hours of Work for Student Employment

This agreement sets forth the terms and expectations in regard to a student’s obligations and responsibilities for limiting the hours of student work in one or more student employment capacities in accordance with the Patient Protection and Affordable Care Act of 2010 (“ACA”)ⁱ. The UW System Student Employment Policy ([GEN 20](#)) provides the administrative requirements for student employment and the limitation on the number of hours a student may work while employed at UW-Whitewater. See GEN 20: <https://www.wisconsin.edu/ohrwd/download/policies/ops/gen20.pdf>.

By signing this document below, the student employee verifies that the student employee has been notified of the limitations on the hours worked in a student employment capacity (including combined hours for multiple student employment positions within the institution or for other UW institutions) and agrees to comply with the following terms and provisions, in addition to any other state law, institutional or system policy or rule:

- I shall not work in excess of 25 combined hours of work per week during the academic year, nor will I exceed 40 hours per week of combined work during academic breaks and/or the summer academic term or period.ⁱⁱ (See the attached “[ACA Calendar](#)”).
- I will be solely and individually responsible for scheduling my hours of work each week in a manner that is consistent with the terms herein, which includes all student employment throughout this institution or other institutions, including those paid by lump sum. I will verify my work schedule with my immediate supervisor and make any necessary modifications, if necessary to remain compliant with this agreement. I will promptly report all hours worked, as requested by my supervisor, to help ensure accurate monitoring and compliance.
- The institution, as my employer, has the unilateral discretion and right to determine my hours of work in accordance with the operational needs of the institution and to comply with the ACA and related laws and policies.
- I understand that my student employment is an “at will” employment relationship with the institution. I hereby agree that the institution shall have the immediate and unilateral right to end my student employment for any reason, including my failure to adhere to the terms herein, with no notice required.
- I shall abide by this agreement and all related institutional, System and Board of Regent policies regarding student employees, including related state or federal laws or regulations.ⁱⁱⁱ

ⁱ Pursuant to the ACA, the University of Wisconsin may incur a penalty for failing to offer health care benefits to any person defined as a “full time employee” (any individual paid a wage for hours worked on average in excess of 30 hours a week). However, individuals serving in a student employment capacity are not eligible to receive health insurance benefits under the UW employer-sponsored health coverage (the State of Wisconsin Group Health Insurance Program).

ⁱⁱ The hours of work to be counted shall not include hours paid through a Federal Work Study program.

ⁱⁱⁱ International students (F1 and J1) are limited to 20 hours per week during the academic semesters. .
