GENERAL PROCEDURES

BE EARTH CONSCIOUS — DON'T LITTER!

GENERAL RULES: Disc golf is played like ball golf, using flying discs. One stroke is counted each time the disc is thrown, and when a penalty is incurred. The winner is the golfer with the lowest score.

TEE THROWS: Tee throws must be completed within the designated tee areas.

ORDER OF THROWING: After teeing off, the player whose disc is farthest from the hole always throws first. The player with the fewest strokes on the previous hole is first to tee off.

FAIRWAY THROWS: Fairway throws must be made with the foot closest to the hole on the spot where the last throw came to rest. The other foot may be no closer to the hole than the other foot on this lie. A run-up and normal follow-through, after the release, are allowed more than 10 meters from the hole. Inside 10 meters, a player may not step past his/her lie. "Falling" or "jumping" putts are not allowed inside 10 meters.

COMPLETING A HOLE: A disc that comes to rest inside the Disc Pole Hole® basket or chains constitutes successful completion of that hole. A disc that comes to rest on top of the pole does NOT constitute a successful putt.

ONE STROKE PENALTIES: A throw that lands out-of-bounds must be played from the point where the disc went out-of-bounds. Water, roads, pavilions and walkways are normal disc golf out-of-bounds hazards.

NOTE: Never throw until the players ahead of you are out of range, and until the fairway is completely clear of spectators and park guests.

TIEBREAKERS: 1. Best score on Hole #7 2. Best score on Hole #5 3. Best score on Hole #1

UWW COURSE: If a player's disc goes into the tornado siren fence, you must assess a one-stroke penalty
