## ETF Board Approves 2023 WRS Contribution Rates

At its June 23, 2022 meeting, the Employee Trust Funds Board approved Wisconsin Retirement System contribution rates for 2023, including rates for Wis. Stat. § 40.65 protective occupation duty disability and the Wisconsin Sick Leave Credit Conversion programs (state employers only). These rates are based on current benefit levels and recommendations from the Board’s independent consulting actuary.

Contribution rates are effective for salaries and wages paid beginning January 1, 2023.

There are many factors that affect WRS contribution rates, such as investment performance, legislative adjustments to benefit levels, demographics, etc.

Increased rates for 2023 are a result of an ETF Board approved reduction in the assumed rate of investment return from 7.00% to 6.80%. Positive investment returns in recent past years help to lessen the impact on the 2023 contribution rates.

## New Training Video for Changing Health Plans Due to Life Events

Life events such as birth, marriage, and divorce are significant in many ways, including that they provide members with an opportunity to change their health plans. ETF has published a five-minute video for employers explaining what to know when changing health plans due to a life event.

Instructions for viewing your leave balances and banking unused vacation are available in the [Banked Leave Conversion Tipsheet](#). Vacation and carryover balance hours that are eligible to be banked may be viewed beginning July 1.

## Single Payroll

The Single Payroll project was a system-wide initiative to standardize UW System payroll by eliminating the monthly payroll cycle and moving all employees to a biweekly payroll cycle. This change was completed July 2021. If you continue to have questions about the biweekly payroll, this includes how your salary is split, deductions, etc., here is the website for reference: <https://uwservice.wisconsin.edu/single-payroll>. If this does not resolve your questions, please contact [payroll@uwss.wisconsin.edu](mailto:payroll@uwss.wisconsin.edu) for further assistance.

## ROCK COUNTY CAMPUS

### Handshake at Rock Campus

The Rock County campus continues to use Handshake for the 2022-2023 academic year for student employment opportunities!

For more information on Handshake, visit the [Career & Leadership Development page here](#) or follow the above icon to the handshake login.

### Professional Development Webinars

UWW at Rock County will be providing professional development webinars and workshops for our RCK staff this academic year. These webinars and workshops will introduce instructors and staff to the work of belonging, growth mindset and resiliency which they can incorporate in their teachings and all other interactions with students throughout the year. We are excited for this wonderful opportunity and look forward to the positive impact this will have on all of us!

### Shuttle Service to Rock County

UW-Whitewater's Rock County campus is located on Janesville's southwest side. A [free shuttle](#) links the campus to UW-Whitewater's main campus and the Van Galder JTS bus stop in Janesville during the academic year.

The Warhawk Shuttle service for the Fall 2022 semester will run from September 6 - December 16, 2022. There is no service on Thanksgiving Day, November 22, 2022. ## TRAINING AND PROFESSIONAL DEVELOPMENT

It's so great to be back! I've seen so many familiar and smiling faces, and many new ones! Please reach out if you want to connect about a possible training, an idea you have, or just to say "hi!"

Welcome Week is just around the corner! Don't miss an event, make sure to check out this new event calendar: <https://events.uww.edu/month/date/20220801/groups/Welcome%20Week>

*If you have an event you want to post, please let me know.*

If you offer trainings and/or workshops that are available to employees, please contact me. Here are a couple reasons why:

1. Let's work together to help communicate this to all employees! There are many resources on campus, let's make sure everyone knows about them.
2. As part of the Administrative Transformation Program, I am working on the Learning Management System (LMS). This will be an exciting opportunity to help employees track their learning progress while here at UW-Whitewater over their careers.

Keep an eye out for more upcoming trainings and workshops!
