

Cell Phone Provider Benefits/Discounts

AT&T:

To show our appreciation for teachers and their families¹, AT&T provides a 25% discount on all of its **unlimited wireless plans**. This adds up to a savings of \$600 per year for a plan with four lines of AT&T Unlimited Elite.

New and existing customers who are certified/licensed K-12 teachers at public or private schools, or college or university faculty members or instructors, and have or activate an AT&T Unlimited Starter, AT&T Unlimited Extra, or AT&T Unlimited Elite plans are eligible.

To get your AT&T teacher discount go to <https://www.att.com/verification/teacher> to sign up for your discount.

T-Mobile:

Eligible **NEW and EXISTING** customers who are **adding** a voice line can **SAVE 15%** off their first 5 lines when on the Magenta MAX plan!

We are also **waiving the \$40.00** activation fee, **PER LINE**. Get our new offer and fees waived **only** when calling our Elite Work Perks Team at **855-570-9947** or **CHAT** to switch.

To be sure your teams receive their discount, they will need to mention they work for the **State of Wisconsin in Public Education** or give **Promo Code PERKSWI3**.

. . . . don't forget, **taxes and fees are included** in the pricing!

Verizon:

The monthly teachers discount amount depends on how many phones on qualifying unlimited plans you have:

- 1 phone - \$10/month discount per account
- 2 – 3 phones - \$25/month discount per account
- 4+ phones - \$20/month discount per account*

Visit: <https://www.verizon.com/support/teachers-discount-faqs/> to get more information on how to utilize their discounts!
