DO NOT USE

Please enter your banking information as shown in the example above.

- **Routing number** - always comes first and is exactly 9 digits.
- **Account number** - varies in length. May appear before or after the check number. Include any leading zeros, but omit spaces and non-numeric characters.
- **Check number** - is not needed. Do not include the check number.

It is important to enter your banking account information accurately, or your payment cannot be successfully completed. If you have questions, please contact your bank.

DO NOT enter your debit card number.
