### Terms & Conditions for Enrollment/Credit Agreement

The Terms & Conditions Enrollment/Credit Agreement that you signed online will need to be signed prior to enrolling each term. Please review it carefully for important payment plan information that is available in the **Fall and Spring terms**. We recommend printing out a copy from your WINS account for your records.

### Authorization for Release of Information

If you wish to give access to family members to contact Student Accounts with regard to your billing account information, please ensure you have filled out an information release form. This form can be found at <http://www.uww.edu/adminaffairs/finance/cashiers-office/forms#StudentAccountForms> click on "Authorization for Release of Information".

### Authorized Users for E-billing

You can set up authorized users through the TouchNet billing site. Once you are logged in, click on the "Authorized Users" tab on the top of the page and follow the prompts. After the authorized user is set up, that person will also receive future E-bill notifications when there is a new bill to review.

### Register for Classes

Each semester you will need to sign your terms and conditions for that term and your account needs to be current (not past due). Any questions about the registration process please call Registrar's office.

## UW-Whitewater E-billing

All student account billing and other communications from Student Accounts are sent through your UW-W email account. Be sure to check it regularly!

- No paper bills will be mailed to you.
- Be sure to keep adequate space in your UWW email inbox.
- Failure to receive an e-billing statement will not relieve you from your obligation to make a timely payment.
- You can set up Parents, Grandparents etc. as "Authorized Users" in your TouchNet account.

## Important Due Dates

09/11/2020	<b>Term Due date—without payment plan ALL tuition, housing and meal charges due on September 11, 2020, even if the charge does not have a due date assigned</b>
10/09/2020	<b>1<sup>st</sup> Installment with payment plan</b>
11/06/2020	<b>2<sup>nd</sup> Installment with payment plan</b>

## Financial Aid

**The first financial aid disbursement applied for the Fall 2020 Term can be viewed on WINS on August 31, 2020.**

Students receiving financial aid or have a third party agreement are subject to the same payment deadlines. Do not depend on other financing sources to be available to pay your University bill by the payment deadline.

## Scholarships

Scholarships are treated the same as financial aid and require additional time to process. Scholarship checks should be turned into the UW-W Cashier's Office at least 10 days prior to the term due date.

Download the app today and start saving time when it comes to your student billing options. Available on the App Store and Google Play.

### Past Due Accounts

It is important to have your student account balance paid in full by the due date. Once an account becomes **past due**, there is a risk your current or upcoming classes may be cancelled. In addition, the student will be unable to register for future terms, receive transcripts, or their diploma and a 1.25% finance charge will be added to any past due balance. This finance charge will be assessed each billing period until the student account is paid current.
