

E-Billing & Authorized Users

How will I receive my bill?

You are notified via your University email address when your student bill is available to view. You can log into the billing site with your Net-ID and password by clicking on the link in the email. Check your Whitewater e-mail account on a regular basis to avoid missing important billing information. Be sure to keep adequate space in your inbox.

How can I view my account?

Student account summaries are available to view on WINS. Once logged in, click on "Account Inquiry" to show account details. You can also get to the billing site by clicking on the "View Bill/ Pay Bill" link from your student center page.

How can I pay my bill?

Web checks are accepted online by logging into your account through the billing site and post immediately to your student account.

Cash, checks, and money orders are accepted at the UW-W Cashier's Office, Hyer Hall Room 110.

Mail payment to: UW-W Cashier's Office, P.O. Box 88, Whitewater, WI 53190, include student ID# on the check or money order. Payments must be received by the due date.

Credit card payments are accepted online ONLY by logging into your account through the billing site. MasterCard, VISA, American Express, and Discover are accepted with a convenience fee.

Can my parents view my bill online?

Students can set up authorized users through the billing site. Log in to WINS, click on "Student Center". Click on "View Bill/ Pay Bill", this will launch you into TouchNet (login and password are the same as your WINS) Once you are logged in, click on the "Authorized Users" tab on the top of the page and follow the prompts. After the authorized user is set up, that person will also receive future notifications when there is a new bill to review.

Setting up an authorized user on the billing site does not allow that person to receive information when calling the Student Accounts office. A separate Authorization for Release of Information form needs to be completed and sent to our office. You can download it from our website.
