

Student Financial Aid Cancellation of Title IV Permissions Form

Effective on the date signed below, I withdraw the Financial Aid Permissions that I previously granted to the University of Wisconsin – Whitewater (“UWW”).

Despite the withdrawal of my financial aid permissions, I acknowledge and understand that federal regulations will continue to allow UWW to automatically apply my Title IV awarded financial aid funds to current tuition, fees, and room and board charges. I understand that I am and will continue to be responsible for paying directly to UWW all my other charges on my student account, because I have signed this cancellation form.
