Reserved parking

A limited number of reserved parking spaces, identified with red signs, are available. Space availability is guaranteed to the Reserved permit holders in the assigned lots. Reserved spaces are reserved at all times.

Resident parking

On-campus residents (yellow) apply for a parking permit in early August. Students will be assigned to the parking lot closest to their residence hall on a first-come, first-served basis.

Resident permits are valid only in the assigned lot, with the exception that commuter lots may be used 7 p.m. - 3 a.m. when using the library or computer labs.

Staff parking

Staff (blue) parking permits are valid in all staff lots at all times, except on Prince Street, Pearl Street, and all campus streets where there is no parking between 2 a.m. and 5 a.m. Staff permits are also valid in service vehicle stalls for up to 20 minutes for loading and unloading.

Accessible parking

Use of accessible parking spaces is restricted to vehicles with DIS plates, DIS VLT plates, or an ID card issued by the Wisconsin (or other state) Department of Motor Vehicles. A paid UW-Whitewater permit is also required on vehicles operated by non-UW-Whitewater students, faculty and staff.

Wisconsin statutes that exempt vehicles from paying meter fees apply to municipalities and are not applicable on the UW-Whitewater campus.

On the UW-Whitewater campus, vehicles with DIS plates or an ID card and a valid UW-Whitewater parking permit may be parked in disabled parking spaces, any non-restricted space, or at 4-hour and 10-hour meters (no-meter fee required).

Temporary disabled parking permits may be issued to persons with a physician’s statement for short-term needs, not to exceed 30 days. The cost of a temporary disabled parking permit is $30 per week, unless another valid UW-Whitewater parking permit is currently held, in which case there is no additional cost.

Snow shovels are available for use by contacting Parking Services.
General regulations at a glance

- Parking permits or meter fees are required.
- Commuter permits are not valid for parking before 2 a.m. and after 5 a.m.
- Vehicles may park only in designated stalls. Vehicles parked in drive aisles, fire lanes, on sidewalks or on lawns will be cited and towed.
- The university reserves the right to deny university parking lots for maintenance, snow removal, special events, etc. when necessary.
- Parking in an accessible space without proper vehicle identification, or obstructing adjacent access aisles, is prohibited.
- A university parking permit is required in addition to disabled plates/ID card when used by enrolled students, faculty or staff.
- Parking spaces designated as restricted or reserved require special permits.
- Vehicles must be registered with the Wisconsin (or other state) DMV.
- Vehicles that accumulate three or more citations in overdue status are subject to towing or booting at the operator's expense.
- Vehicles that have expired license plates and are not used for 72 hours will be towed.
- Unpaid citations will be referred to the DMV for suspension of vehicle registration. Renewal of registrations for other vehicles owned by the owner will be refused.
- Vehicles parked in a resident (yellow) parking lot are subject to towing or booting at the operator's expense.

This is not a complete reference of all parking regulations; Wisconsin motor vehicle statues also apply.

Permits are sold and refunded on a quarterly prepayment schedule. September 1 to November 30
December 1 to February 28
March 1 to May 31
June 1 to August 31

Citations and fines

Authority for campus parking is governed by UW System Chapter 18.05 of the Wisconsin Administrative Code and may be viewed online at http://legis.wisconsin.gov/rsb/code/uws/uws.html.

A late fee is added to the original fine amount if a citation is not paid within 7 days. An additional administrative fee of $5 is added after 30 days, and a DMV processing fee of $10 is added for vehicle registration suspensions after 60 days.

Unpaid citations will be referred to the DMV for suspension of vehicle registration. Renewal of registrations for other vehicles owned by the owner will be refused.

Vehicles that have expired license plates and are not used for 72 hours will be towed.

This is not a complete reference of all parking regulations; Wisconsin motor vehicles statues also apply.

Permit display

Permits are to be displayed from the front rearview mirror.

- Ownership of the permit is retained by UW-Whitewater.
- Resale, transfer or duplication is prohibited.
- Use is restricted to the registered user.

Unauthorized use will result in fine, revocation and prosecution for theft/misuse under 943.20(1)(a) WI Stated Statuses of UWS 18.08(8).

Metered parking

Parking meters are located throughout campus. Meter fees are required except for university-recognized holidays and on weekends, starting at 5 p.m. Friday through 11 p.m. on Sunday. A parking permit does not negate the payment of meter fees. Fees vary by type of meter.

Motorcycle/Moped/Scooter parking

Motorcycles, mopeds and scooters must park in areas designated for their use and display the adhesive permit on the left front fork.

North and south commuter parking

North (brown) and south (orange) commuting student parking permits are not valid for parking in any campus parking area between the hours of 2 a.m. and 5 a.m. Special arrangements must be made for university-sponsored trips that require your vehicle to remain overnight.

After 5 p.m., north (brown) commuter permits are valid in any south (orange) commuter lot.
