Reserved parking
A limited number of reserved parking spaces, identified with red signs, are available. Space availability is guaranteed to the reserved permit holders in the assigned lots. Reserved spaces are reserved at all times. Red reserved permits are also valid in any Staff/Faculty (blue) lots.

Resident parking
On-campus residents (yellow) apply for a parking permit in early August. Students will have the option to purchase a permit to the parking lot closest to their residence hall on first-come, first-served basis.

Resident permits are valid only in the assigned lot, with the exception that lot 12 may be used from 7 p.m. to 2 a.m. when using the library or computer labs.

Staff parking
Staff (blue) parking permits are valid in all staff lots at all times, except on Prince Street, Prairie Street and all campus streets where there is no parking between 2-9 a.m. Staff permits are also valid in service vehicle stalls for up to 30 minutes for loading and unloading.

Accessible parking
Use of accessible parking spaces is restricted to vehicles with DIS plates, DIS VET plates or an ID card issued by the Wisconsin (or other state) Department of Motor Vehicles. A paid UW-Whitewater permit is also required on vehicles operated by those with DIS plates. Staff, faculty, and full-time student parking stickers are also required for accessible parking.

Temporary disabled parking permits may be issued to persons with a physician’s statement for short-term needs, not to exceed 30 days. The cost of a temporary disabled parking permit is $20 per week. Easier access to and from the parking lot may be arranged, and a parking permit may be issued to a non-disabled person for a temporary period. Permanent parking permits will not be issued for this purpose.
