**General regulations at a glance**

- Parking permits or pay-by-space fees are required.
- Commuter permits (brown and orange) are not valid for parking 2-3 a.m.
- No parking on streets between the hours of 2-3 a.m., including weekends.
- Vehicles may park only in designated stalls. Vehicles parked in drive aisles, fire lanes, on sidewalks or on lawns will be cited and towed.
- The university reserves the right to close university parking lots for maintenance, snow removal, special events, etc., when necessary.
- Parking in an accessible space without proper vehicle identification, or obstructing adjacent access aisles, is prohibited.
- A university parking permit is required in addition to disabled plate/tab when used by enrolled students, faculty, staff or visitors.
- Parking spaces designated as restricted to service vehicles or as red reserved no parking spaces require special permits.
- Vehicles must be registered with the Wisconsin (or other state) DMV.
- Vehicles that accumulate three or more citations in overdue status are subject to towing or booting at the operator's expense.
- Unclaimed vehicles will accumulate storage charges and may be sold.
- Unpaid citations will be referred to the DMV for suspension of vehicle registration. Renewal of registrations for other vehicles owned by the owner will be refused.
- Vehicles that have expired license plates and are not used for 72 hours will be towed.
- This is not a complete reference of all parking regulations; Wisconsin state laws and UW System parking regulations apply.

---

**Citations and fines**

Authority for campus parking is governed by UW System Chapter 18.05 of the Wisconsin Administrative Code and may be viewed online at http://legis.wisconsin.gov/rsb/code/uws/uws.html.

A late fee is added to the original fine amount if a ticket is not paid within 14 calendar days, including holidays and weekends. An administrative fee of $5 is added after 46 days, and a DMV processing fee of $10 is added for vehicle registration suspension after 78 days. Fines can be paid online at https://ppprk.com/park/.

**Parkigng Regulations 2021 - 2022**

University of Wisconsin Whitewater

**Parking Services**

Division of UW-Whitewater Police Services Department

826 W. Starin Road

Whitewater, WI 53190

262-472-1011

www.edu/parking

---

**About Parking Services**

UW-Whitewater Parking Services, located at the Visitor's Center on Starin Road, offers a variety of parking options for faculty, staff, students and visitors. See the parking map on the other side for lot specifications.

**Visitors and guests**

Visitor and guest parking permits are issued for the day of purchase. The cost is $5 per day. These permits are issued for periods not to exceed one week. Permits may be purchased in advance from the Parking Services office or at the kiosk in the service drive.

**Visitors arriving after Parking Services office hours may obtain a permit from the kiosk located in the Visitor Center service drive.**

Between 5 p.m. Friday and 11 a.m. Sunday, visitors do not need a parking permit to park in a resident (yellow) parking lot. This excludes special events or pay-at-entry activities. Hourly (one-four hours) parking is available through the kiosk.

**Permit display**

Permits are to be displayed from the front rearview mirror.

- Ownership of the permit is retained by UW-Whitewater.
- Resale, transfer or duplication is prohibited.
- Use is restricted to the registered user.

Unauthorized use will result in fine, revocation and prosecution for theft/misuse under 943.20(1)(a) WI Stated Statuses of UW 18 0808.

**Pay-by-space parking**

Pay-by-space stalls are located throughout campus. Fees are required except on holidays recognized by the State of Wisconsin and on weekends starting at 5 p.m. on Friday through 11 p.m. on Sunday. A parking permit does not negate the payment of pay-by-space fees. An application can be found at https://ppprk.com/park/.

**Motorcycle/Moped/Scooter parking**

Motorcycles, mopeds and scooters must park in areas designated for their use and display the adhesive permit on the left front fork.

**North and south commuter parking**

North (brown) and south (orange) commuter parking permits are not valid for parking in any campus parking area between the hours of 2-5 a.m. Special arrangements must be made for university-sponsored trips that require your vehicle to remain overnight.

After 5 p.m., north (brown) commuter permits are valid in any south (orange) commuter lot and south (orange) commuter permits are valid in any north (brown) commuter lot.

In-Session Business Office Hours

Monday-Friday: 7:30 a.m.-4:30 p.m.

Winterim and Summer Office Hours

Monday-Friday: 7:30 a.m.-4:30 p.m.
Reserved parking
A limited number of reserved parking spaces, identified with red signs, are available. Space availability is guaranteed to the reserved permit holders in the assigned lots. Reserved spaces are reserved at all times. Red reserved permits are also valid in any Staff/Faculty (blue) lots.

Resident parking
An email will be sent to university email addresses in early August announcing when permit applications will be available for purchase. Juniors and seniors have the first option to purchase a permit (yellow) for the parking lot closest to their residence hall on a first-come, first-served basis, followed by freshmen and sophomores two days later. Resident permits are valid only in the assigned lot, with the exception that lot 12 may be used from 7 p.m. to 2 a.m. when using the library or computer labs.

Staff parking
Staff (blue) parking permits are valid in all staff lots at all times, except on Prince Street, Prairie Street, and all campus streets where there is no parking between 2-5 a.m. Staff permits are also valid in service vehicle stalls for up to 30 minutes for loading and unloading.

Accessible parking
Use of accessible parking spaces is restricted to vehicles with DIS plates, DIS-VET plates or an ID card issued by the Wisconsin (or other state) Department of Motor Vehicles. A paid UW-Whitewater permit is also required on vehicles when used by enrolled students, faculty, staff or visitors. Wisconsin statutes that exempt vehicles from paying meter fees apply to municipalities and are not applicable on the UW-Whitewater campus. On the UW-Whitewater campus, vehicles with DIS plates or an ID card and a valid UW-Whitewater parking permit may be parked in disabled parking spaces, any non-restricted space or for up to four hours in any pay-by-space stall (no fee required for the first four hours). Temporary disabled parking permits may be issued to persons with a physician’s statement for short-term needs, not to exceed 30 days. The cost of a temporary disabled parking permit is $20 per week, unless another valid UW-Whitewater parking permit is currently held, in which case there is no additional cost.

Snow shovels are available for use by contacting Parking Services.
