On August 1st, a joint training for active shooter was held at Hyland Hall. The training included UWWPD, the City of Whitewater Police Department, and Whitewater Fire and Rescue. CSOs and volunteers from other campus departments also assisted.

These joint trainings help different departments to communicate and work together during an incident. Thank you to all who participated and assisted with getting everything prepared.

Welcome CSOs!

New and returning CSOs are back on campus. Training week was a success and they are ready to go for the coming semester.

Are you a student looking for employment? We are still hiring CSOs. Apply at our website!

Pictured to the right are "Team Crime Steppers", UWWPD's team in the Warhawks in Motion UWW Employee Fitness Challenge. This was a friendly team step/movement competition to encourage healthy living and exercise, sponsored by the UW-W Human Resources and Diversity Benefits and Wellness Team.

The challenge ran from June 13th to August 19th, and during that timeframe our team took a total of 4,186,387 steps.

Officer Von Alven (far left) is pictured below with other members of the Walworth County Special Events Team (SET) at the National Night Out on August 2nd. Officer Von Alven, along with some other UWWPD members, is part of this team made up of members from different police agencies around Walworth County.

On August 20th, Officer Stuppy and K9 Tilla participated in Lettsew K9's annual K9 Fest, along with Jefferson County Sheriff's Office Deputies Gukich and Jansen, and K9 Balko. Events held included live music, a K9 demonstration, raffles and more.

Over \$11,000 was raised for local police K9s.

[Thank you Lettsew K9 for holding this event and all that you do for our K9s!](#)
