Fatal Injuries: Employers subject to ch.102, Wis. Stats., must report injuries resulting in death to the Department and to their insurance carrier, if insured, within one day after the death of the employee.
Non-Fatal Injuries: If the injury or occupational illness results in disability beyond the three-day waiting period, the employer, if insured, must notify its insurance carrier within 7 days after the injury or beginning of disability. Medical-only claims are to be reported to the insurance carrier only, not the Department.
Electronic Reporting Requirement: All work-related injuries and illnesses resulting in compensable lost time, with the exception of fatalities, must be reported electronically to the Department via EDI or Internet by the insurance carrier or self-insured employer within 14 days of the date of injury or beginning of disability. Employer may fax claims for fatal injuries to the Imaging Fax Server number on this form.
