## AT THE UNIVERSITY OF WISCONSIN–WHITEWATER

### FALL 2022 NEW FRESHMEN SCHOLARSHIPS

At UW-Whitewater, we are focused on helping you make college affordable. Offering the best overall value in the UW System is a great place to start. On top of that, your admissions application allows you to be considered for many scholarships, including several you will automatically be considered for that are based on your GPA.

#### Merit-Based Scholarships

New freshmen who have been admitted to UW-Whitewater by Jan. 1 of their senior year are automatically considered for academic scholarships based on merit. Scholarships are competitive and are awarded through a pooled process that is equitable to all students. For the fall 2022 semester, students with the best academic credentials based on unweighted GPA will be considered to receive merit aid.

#### Chancellor's Scholarship

The Chancellor's Scholarship is a competitive, four-year renewable scholarship for \$2,000 per year, totaling \$8,000. Chancellor's Scholars enjoy benefits such as admission to the University Honors Program and additional consideration on housing preferences.

#### King/Chávez Scholars Program

The King/Chávez Scholars program reflects UW-Whitewater's commitment to upholding the ideals and expectations of Dr. Martin Luther King Jr. and Cesar Chávez. King/Chávez Scholars are awarded a merit-based scholarship package totaling approximately \$5,000 per year. Additionally, scholars are provided opportunities to participate in undergraduate research, high-impact practices, and a summer transition program.

Scholarship applicants must be first-time freshman who are traditionally underrepresented in undergraduate education. In addition, students with a 3.00 GPA or above are given priority. Special considerations are given to first-generation college students and students who have significant financial need. For more information and to apply, visit [www.uw.edu/sdes/diversity-programs/king-chavez-scholars](http://www.uw.edu/sdes/diversity-programs/king-chavez-scholars).

### SCHOLARSHIPS FOR CURRENT STUDENTS

UW-Whitewater students are eligible to apply for hundreds of additional scholarships — worth more than \$2.3 million — each year through the UW-Whitewater Foundation or through their college or major. Returning student scholarships are often made possible by the donations of generous alumni who want to give back to current Warhawks.

These scholarships are renewable and valid for a maximum of eight semesters (fall and spring terms only). To renew this scholarship, you must maintain a 2.5 GPA as a UW-Whitewater student. Students who qualify for nonresident scholarships are eligible for additional scholarship opportunities, including the Chancellor's Scholarship.

## Midwest Student Exchange Program (MSEP)

The MSEP is a discounted tuition rate available for students who meet the academic criteria. The MSEP rate is equivalent to 150% of the tuition a Wisconsin resident would pay, an estimated savings of \$5,722 for the 2021-2022 academic year. Students from outside of MSEP-eligible states (Indiana, Kansas, Missouri, Nebraska, North Dakota and Ohio) who qualify based on GPA will receive a \$6,000 nonresident scholarship.

## Return to Wisconsin

This legacy program offers a discount to nonresident students who have a parent, grandparent or legal guardian who received a degree from UW-Whitewater. Students who qualify for this program and one of the above nonresident scholarships will receive the offer that most benefits the student. Students cannot receive both.
