FALL 2021 NEW FRESHMEN SCHOLARSHIPS

We know you're concerned about making college affordable, and so are we. Fortunately, UW-Whitewater is the best value in the UW System. Eighty percent of our students receive financial assistance to help make their educational dream a reality. On top of that, your admissions application automatically allows you to be considered for many scholarships.

Merit-Based Scholarships

New freshmen who have been admitted to UW-Whitewater by Jan. 1 of their senior year are automatically considered for academic scholarships based on merit. Scholarships are competitive and are awarded through a pooled process that is equitable to all students. For the fall 2021 semester, students with the best academic credentials based on unweighted GPA will be considered to receive merit aid.

Chancellor's Scholarship

The Chancellor's Scholarship is a competitive, four-year renewable scholarship for \$2,000 per year, totaling \$8,000. Chancellor's scholars enjoy benefits such as admission to the University Honors Program, priority class registration and additional consideration on housing preferences.

King/Chávez Scholars Program

The King/Chávez Scholars Program reflects UW-Whitewater's commitment to upholding the ideals and expectations of Dr. Martin Luther King Jr. and Cesar Chávez. King/Chávez scholars are awarded a competitive scholarship package totaling approximately \$4,000 per year. Additionally, scholars receive a faculty mentor and participate in a summer orientation program prior to their freshman year.

King/Chávez scholarship applicants with a 3.0 GPA will receive full consideration for the program. Prior participants in Upward Bound, the PEOPLE program and other pre-college programs are encouraged to apply.

SCHOLARSHIPS FOR CURRENT STUDENTS

UW-Whitewater students are eligible to apply for hundreds of additional scholarships — worth more than \$2.3 million — each year through the UW-Whitewater Foundation or through their college or major. Returning student scholarships are often made possible by the donations of generous alumni who want to give back to students.

FALL 2021 UW-WHITewater NONRESIDENT SCHOLARSHIPS

Almost 20% of UW-Whitewater students come from outside of Wisconsin. This information will help you understand the scholarship and tuition reduction opportunities available to you.

Students who meet the academic criteria outlined in the grid above will automatically qualify at the time of admission. These scholarships are renewable and valid for a maximum of eight semesters (fall and spring only). To renew this scholarship, you must maintain a 2.5 GPA as a UW-Whitewater student. Students who qualify for nonresident scholarships are eligible for additional scholarship opportunities, including the Chancellor's Scholarship.

Midwest Student Exchange Program (MSEP)

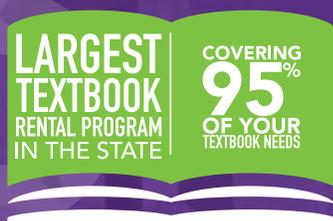

The MSEP is a discounted tuition rate available for students who meet the academic criteria. The MSEP rate is equivalent to 150% of the tuition a Wisconsin resident would pay, an estimated savings of \$5,722 for the 2020-2021 academic year. Students from outside of MSEP-eligible states (Illinois, Indiana, Kansas, Missouri, Nebraska, North Dakota and Ohio) will receive a \$5,000 nonresident scholarship.

Return to Wisconsin

This legacy program offers a discount to nonresident students who have a parent, grandparent or legal guardian who received a degree from UW-Whitewater. Students who qualify for this program and one of the above nonresident scholarships will receive the offer that most benefits the student. Students can not receive both.
