

BELONG HERE

University of Wisconsin
Whitewater

TOP REASONS YOU WANT TO BE A WARHAWK

- ① Because more than **11,000 Warhawks call Whitewater home**, your college experience will feel like you are at a larger school, but you'll still be able to find your niche and connect with friends and professors.
- ② We have the degrees you want! We are the **largest accredited business college** in the state, we **graduate the most teachers** of any university in Wisconsin, and have over more than 200 majors and minors for you to explore.
- ③ Your success is our focus. From **peer mentors** to **free tutoring** and **mental health support**, we are focused on seeing you thrive and graduate.
- ④ UW-Whitewater is the **best value in the UW System**. We know paying for college is challenging, so we work hard to make it as easy as possible for you. Our combined tuition, room and board can't be beat, and our exceptional textbook rental program — which covers 95% of most students' needs at no additional cost — sweetens the pot.
- ⑤ 98% placement rate — that speaks for itself. **98% of our graduates are employed** full-time or enrolled in graduate school within a year of graduation.

A tour walks by the food truck on the left and Minneiska Springs on the right, with Hyland Hall in the background.

Come visit us!

We think that you will love it here. The best way to find out if UW-Whitewater is a fit for you is to visit campus. We're excited to show you and your family around acres of green spaces and gardens, academic buildings, residence halls, sports complexes, and other highlights on our Whitewater or Rock County campus.

To experience what it truly means to be a Warhawk, sign up for a Warhawk Preview Day. If you simply cannot wait to see our beautiful campus, you can opt to take a virtual tour. Or just passing through? Take a self-guided tour with a map you can pick up in several spots around campus.

However you choose to visit, we look forward to seeing you! For details, visit www.edu/tour.

Warhawks gather outside the University Center before heading out into the community for a day of service.

YOU BELONG

in the Warhawk Family

Warhawk family isn't just an expression — it's how we live!

With award-winning academic programs, a community location and a passionate commitment to education, UW-Whitewater is **home to over 11,000 students** every year. For more than 150 years, UW-Whitewater has been welcoming students to the Warhawk family, setting them up for success and then challenging them to go places — through **undergraduate research**, a semester abroad, a life-changing internship or leadership in a student organization that is making a difference in the world — they may never have thought they could go.

Find out the many ways you belong — and can thrive — as a Warhawk.

UW-Whitewater is where the Warhawks **THRIVE**

Students dance at HawkFest as part of the Welcome Week activities on campus.

A broad array of academic programs

UW-Whitewater leads the way in preparing students with the outstanding skills that make them **strong candidates for 21st-century careers** and community leadership. We are world-renowned for our education, music and business programs, but boast just as proudly of our chemistry, political science, biology, communication, theatre, criminology and media arts and game development programs. New majors include cybersecurity, and computer science is now a top-10 major. **See a full list of programs on pages 10-11.**

For the sixth year in a row, UW-Whitewater was selected as a **College of Distinction** — ranked as a Public College, Career Development College, Business College, Education College and Equity and Inclusion College — for demonstrating continued dedication to high-impact educational practices.

Professors who are passionate about teaching

No one embodies our fierce focus on student success more than our professors, who choose UW-Whitewater because it means they get to work directly with students in the classroom, in the laboratory — and beyond. They bring you the **transformative programs** designed to provide you with all the opportunities, challenges and skills you desire.

ABOVE LEFT: Senior Lecturer Susan Stredulinsky works with student Tyler Cook in a biology lab in the College of Integrated Studies on the Rock County campus. Five colleges — endless Possibilities

You'll find **more than 200 majors** and minors — and many areas of emphasis — to choose from. Thinking about graduate school? We have options for you. From our popular MBA, to our master's degree programs in counseling, special education or social work, we'll get you where you want to be — academically and professionally. And we offer a growing number of fully online undergraduate and graduate programs as well, including business analytics, cybersecurity, communication, instructional design and learning technology. And U.S. News and World Report calls our online MBA the **best in Wisconsin!**

With our online degrees, you can learn at your own pace, when it is convenient for you. UW-Whitewater Online is a great way to learn on your own terms, accelerate you career, and land that dream job by obtaining your degree or earn a promotion and salary increase. We offer online degrees in accounting, early child care and education, general business, marketing and many more. Learn more by exploring uww.edu/online.

Still Deciding?

No problem! You aren't alone. Many students start their college career as "undecided," and many others change their majors one or more times once they are on campus. Advisors are here to help you work through the options and ensure you hit you goals, including graduating on your desired timeline.

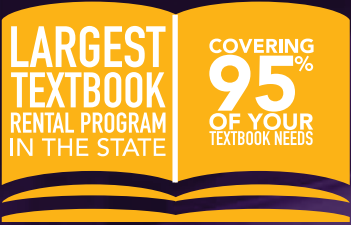

Check out our programs at uww.edu/academics/departments-and-majors.

SAVE HERE

The best value in the UW System

We know you want to spend your education dollars wisely. Fortunately, we're one of the best values in the country — and the best value in the UW System. Many students are surprised to find that our textbook rental program — included in tuition and fees — is by far the most comprehensive in the state, covering 95% of course materials. For the average freshman, that means **a savings of almost \$2,000!**

When you are comparing universities, remember to factor in all of the costs — tutoring, laundry and admission to regular-season sporting events are at no extra cost at UW-Whitewater, too.

COSTS

						
	Wisconsin Resident	Minnesota Resident	Return to Wisconsin*	Nonresident**	Housing and Meal Plan	Rock County Campus (Wisconsin Resident)
2022-2023 Tuition	\$7,864	\$10,031	\$13,171	\$17,039	\$7,340	\$5,297****
Total***	\$15,204	\$17,371	\$20,511	\$24,379		

* Discount for nonresident students whose parent or grandparent received a degree from UW-Whitewater.

** Nonresident students are automatically eligible for merit scholarships of \$1,000 to \$6,000 per year based on unweighted GPA.

*** The total includes 2022-2023 tuition plus housing and meal plan.

**** Rock County campus students are eligible to live in residence halls on the Whitewater campus for the same cost that Whitewater campus students pay.

Help paying for college

FAFSA: The Free Application for Federal Student Aid, or FAFSA, is every student's first step when considering how to pay for college. Not only do any federal aid and loan programs require it, many grants and scholarships request it. Find out more at www.edu/financialaid.

Scholarships: At UW-Whitewater, we are focused on helping you make college affordable. Whether you're new to the Warhawk family or you're an established student — we offer hundreds of scholarships to help fund your education. Find out more at www.edu/scholarships.

SUCCEED
HERE

Kayla DeRosia, left, a general management major from Racine, and entrepreneurship major E.J. Manns from Appleton work on math in the Mary Poppe Chrisman Success Center, the main tutoring center on campus.

Determined to see our students succeed

Our students have peer mentors, residence hall assistants, academic advisors, and many others in their corner.

The services of our **state-of-the-art tutoring center** are available to all students — from those just starting in a subject to those who really want to turbocharge their learning — at no cost. **Pro tip: tutoring is a paid and highly coveted job opportunity on campus.** Savvy students know that teaching others is one of the best ways to master knowledge.

University Health and Counseling Services provides high-quality physical and mental health care, outreach, and consultation for UW-Whitewater's diverse campus community. And Active Minds is an award-winning student organization that empowers students to change the perception about **mental health on college campuses** and showcases the availability of resources on the UW-Whitewater campus and throughout the community.

Our support programs meet you where you are

CENTER FOR STUDENTS WITH DISABILITIES

UW-Whitewater is known as being one of the most accessible campuses in Wisconsin, with about 10% of students using the services of the Center for Students with Disabilities. The center actively collaborates with students, faculty, and staff to create an inclusive, accessible university experience.

STUDENT DIVERSITY, ENGAGEMENT AND SUCCESS

UW-Whitewater works hard so that students from diverse backgrounds are challenged to reach their goals as they are supported along their path to success and contribute to a thriving university culture. The Office of Student Diversity, Engagement and Success supports the mission and core values of UW-Whitewater by providing programs that enhance, engage, and support students for success in their academic programs and beyond.

PB POORMAN PRIDE CENTER

The Pride Center offers an open and welcoming space for all LGBTQ+ and ally students to relax, study and socialize. It serves as a hub for sharing information about LGBTQ+ resources and services on campus, including all-gender bathrooms, inclusive housing, trans healthcare, and the campus-wide use of preferred names and pronouns.

Students in the Learning Is For Everyone (LIFE) Program at UW-Whitewater visit Whitewater City Market in downtown Whitewater.

LIFE PROGRAM

The LIFE (Learning Is for Everyone) Program provides a complete college experience — ample supports, specialized instruction, on-campus residential living, and community integration — for young adults aged 18-25 who have an intellectual disability.

LATINO STUDENT PROGRAMS

Latino Student Programs is dedicated to serving Latino students through academic advising, general assistance in adapting to university life, and creating a safe space for Latinx concerns.

VETERANS SERVICES

Veterans Services provides educational and training support of prospective and enrolled service members, veterans, and their dependents or survivors, including benefit and education counseling and the Veterans and Service Members Lounge.

Distance runner David Fassbender races by head coach Jeff Miller. The hardworking, talented runner is also one of the almost 10% of UW-Whitewater students who use the university's acclaimed Center for Students with Disabilities. He says his autism gives him a singular focus that helps him excel.

Reach beyond the classroom

Warhawks have **the opportunity to do amazing things** — from creating and launching their own businesses using resources in the Innovation Center and the Community Engagement Center, to participating in study abroad opportunities, competing in international competitions and presenting at national conferences.

Undergraduate students working closely with their faculty mentors have co-authored papers published in the Cambridge University Press, conducted research for the National Science Foundation, facilitated the university's designation as a Green Ribbon School — a rare sustainability accolade — and **performed at Carnegie Hall**.

ABOVE LEFT: Journalism majors Tyler Job, left, and Connor Moore were able to get hands-on experience in the broadcast booth starting their first year on campus.
ABOVE RIGHT: Mikayla Frick, a human resource management major, completed an internship at American Family Insurance in Madison.

ACHIEVE HERE

Hannah Keziah Agustin, who grew up in the Philippines and moved to the U.S. in 2019, was the recipient of the 2021 Norton Writer's Prize, a national competition of outstanding collegiate writing. A double major in English and film studies, on campus she encountered a supportive network of professors and classmates. Hannah pursued her love of singing as a music minor and her faith as a leader in the university chapter of InterVarsity Christian Fellowship. She was also a member of the Southeast Asian student organization and worked an on-campus job at Roberta's Art Gallery in the University Center.

“Being a Warhawk means being a part of a community that fully supports you, and I've seen that not just in classrooms, but in friends I've made and the organizations I'm a part of. It's knowing you are supported wherever you go on campus.”

Marketing student Wade Klausen, from Lake Geneva, has worked at Rock County Honda as a digital marketing intern for several years, managing the Janesville auto dealer's online presence, working with website developers and creating content.

"Whitewater is one of the best universities for students with disabilities, and I suffer from ADHD. My mom and I decided that Whitewater would be the best fit for me. The perfect size, the perfect amount of help, the perfect class size."

Excel beyond campus

Faculty who are passionate about student success makes for more than just great classroom experiences — it means help finding internships. The city boasts a vibrant business park with the Whitewater University Innovation Center, and the university's location within striking distance of Madison, Milwaukee and Chicago means Warhawks have many **hands-on opportunities** close by.

High-profile Internships

Warhawks have recently interned at some of the country's most prestigious companies and organizations.

SOAR HERE

Our students don't just graduate — they take wing

We couldn't be more proud of our graduating students and what they have achieved — from internships to study abroad experiences to that first job offer, accepted even before graduation. Because of the opportunities they had on campus and the support they received from faculty, staff and other mentors, these Warhawks were ready to **demonstrate value and make a difference** in the workplace from day one.

Live your best Warhawk life

Our campus contains a multitude of ways to get involved — from a beach volleyball court and a disc golf course to a vegetable garden, where thousands of pounds of vegetables are grown and donated to a community food pantry each year. We have a 1,400-seat auditorium that presents **national and international shows** and several smaller stages for student dance and theatre productions.

From grabbing a cup of Starbucks or an Einstein Bros. bagel to joining a club, there are so many ways to make your campus experience your own.

LEFT: Peer mentor Katie Sorensen, a special education major from Antioch, Illinois, gets ready to lead her group of new students as they paint Warhawk Drive during Welcome Week.

RIGHT: Willie Warhawk pauses to watch a billiard shot by Courtney Spahn, an elementary education major from Middleton, in Warhawk Alley.

Biology major Starr Camacho, left, of Arena, and physical education major Brooke Bonnell of Eagle enjoy some snacks and conversation outside Willie's in the University Center.

You'll find the **University Center is the hub** of things, hosting hundreds of free or low-cost events like movies, live music, trivia, comedians, game nights, craft nights and more. The UC is also where you'll find the bowling alley, billiards, gaming stations, an art gallery, and cozy fireplaces to curl up next to. It's also where many of those hundreds of student orgs have a home. Find out more at www.edu/uc.

HOUSING

Where students find their campus home

More than 97% of our new students live in university housing and enjoy a vibrant campus in a welcoming and accessible community. Housing at UW-Whitewater is inclusive and designed with community and convenience in mind. And our residence life team is committed to creating a positive, safe and enjoyable residential experience.

An unparalleled tradition of excellence

From Division III Warhawk Athletics, which boasts 20 team national championships and 36 individual national championships in the past decade, to its club and intramural teams, Warhawks know how to win.

Our national championship athletic programs include football, gymnastics, volleyball, baseball, golf and men's basketball. Club sports like bowling, rugby, volleyball, ultimate frisbee, paintball and men's and women's wheelchair basketball bring home the trophies — and the championships — too. In fact, the men's club bowling team brought home their second national championship in 2021.

And our world-class Warhawk Marching Band helps all Warhawks celebrate their teams on the court and on the field with the "Warhawk Strut" and other traditions.

**WELCOME
HERE**

Festive flags welcome students back to campus every fall.

minutes it takes to
walk between campus
and downtown for that
slice of pizza

A warm, vibrant community awaits you

The **walkable city of Whitewater** — population 15,000 — provides students with an abundance of recreation opportunities, from restaurants and cinemas to biking and nature trails and the weekly Whitewater City Market. And we're just 10 miles from the southern unit of the Kettle Moraine State Forest, renowned for its mountain biking and cross country ski trails, and the camping, swimming and golf opportunities in the Whitewater Lake region.

We are also close to major cities like **Milwaukee, Madison and Chicago** — as handy for world-class entertainment and shopping as it is for an exceptional number of internship and research opportunities. Daily buses can take you to Janesville, Milwaukee and points beyond, including major airports.

ABOVE LEFT: International students Shiao Tao and Zihan Hong from China visit a flower seller at Whitewater City Market in downtown Whitewater as part of a scavenger hunt exercise.
ABOVE RIGHT: Students line the sidewalk around Birge Fountain as entertainers perform during a Pride Rally jointly hosted by campus and community groups.

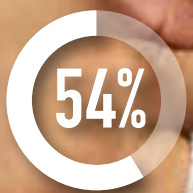

You will rock at U Rock

Our Rock County campus is where the College of Integrated Studies combines the advantages of a small college with the resources of the world-class University of Wisconsin System. At UW-Whitewater at Rock County, you'll find hundreds of in-person or online classes to choose from. You can complete an Associate of Arts and Sciences degree (AAS), designed to prepare you for the next phase of your academic or career journey. If you decide it's a bachelor's degree you desire, we'll help you transition seamlessly to the Whitewater campus or transfer to any UW System university that's the best fit for you.

Start here and go anywhere — let us take you there! For more information, visit uww.edu/rock.

ROCK HERE

 University of Wisconsin Whitewater | Rock County

ABOVE LEFT: U Rock's campus on the outskirts of Janesville is cozy and accessible. ABOVE RIGHT: Ameerah Evans, from Milwaukee, and Juan Chavez and Kelsey Beaumont, both from Beloit, work together on a biology lab exercise.

APPLY HERE

August 1

Application available August 1.

Apply online at apply.wisconsin.edu OR commonapp.org.

Submit your application and transcript(s)

Submit one of the **free applications** listed above along with your high school or college transcript. ACT and SAT test scores are **optional** for admission.

Watch for your admission decision and next steps in the mail!

October 1

Start your FAFSA (Free Application for Federal Student Aid)

Submit your application at fafsa.ed.gov. UW-Whitewater's priority submission deadline is Jan 1. **FAFSA code: 003926**. You do not need to be admitted to complete your FAFSA. Students are encouraged to submit their FAFSA application as soon as possible.

January 1

Application deadline for academic scholarships

New freshmen who have been admitted by Jan. 1 will be automatically considered for academic scholarships. For more scholarship information visit uww.edu/scholarships.

Already admitted?

See what next steps you should take at uww.edu/admissions/nextsteps.

3 quick reasons to apply early!

- ① You will be automatically considered for scholarships!
- ② You can sign up for housing starting Oct. 1 and are more likely to obtain your preferred dorm.
- ③ Learn your admission decision early and plan for your future with the help of our admissions counselors!

Not the traditional undergrad? We've got options for you.

TRANSFER: UW-Whitewater is proud to welcome transfer students to our Warhawk community. A dedicated transfer admissions representative will work closely with you to ensure your transition into a UW-Whitewater program is seamless as possible. And you won't be alone — in the fall of 2021, 23% of our new undergrad students were transfers! For more information and application deadlines visit uww.edu/admissions/transfer.

ONLINE: UW-Whitewater offers a growing number of online degree options. Our online bachelor's and master's programs can help you accelerate your career and break through to the next level with a promotion and a salary increase. Best of all, you can do it at your pace and on your schedule. uww.edu/online.

GRADUATE STUDIES: UW-Whitewater's graduate programs are hands-on, giving you the skills to apply on the job from day one. Our top master's programs include business administration, counseling, special education, environmental safety and health, and social work. At UW-Whitewater you'll earn a degree you can use to grow your expertise, expand your career options, and increase your lifetime earning potential — all without breaking the bank. View uww.edu/gradstudies.

ABOVE RIGHT: Student commencement speaker Melissa Dix, a liberal studies major from Janesville, is greeted by her daughter Madigan after the ceremony.
BELOW RIGHT: Geography student Thor Manson with one of the drones he used in the GIS research lab. A nontraditional student and a veteran, Manson was the first Warhawk to be named a Harry S. Truman Scholar, allowing him to pursue graduate studies in international development at the McCourt School of Public Policy at Georgetown University in Washington, D.C.

TITLE IX
NOTICE OF NONDISCRIMINATION

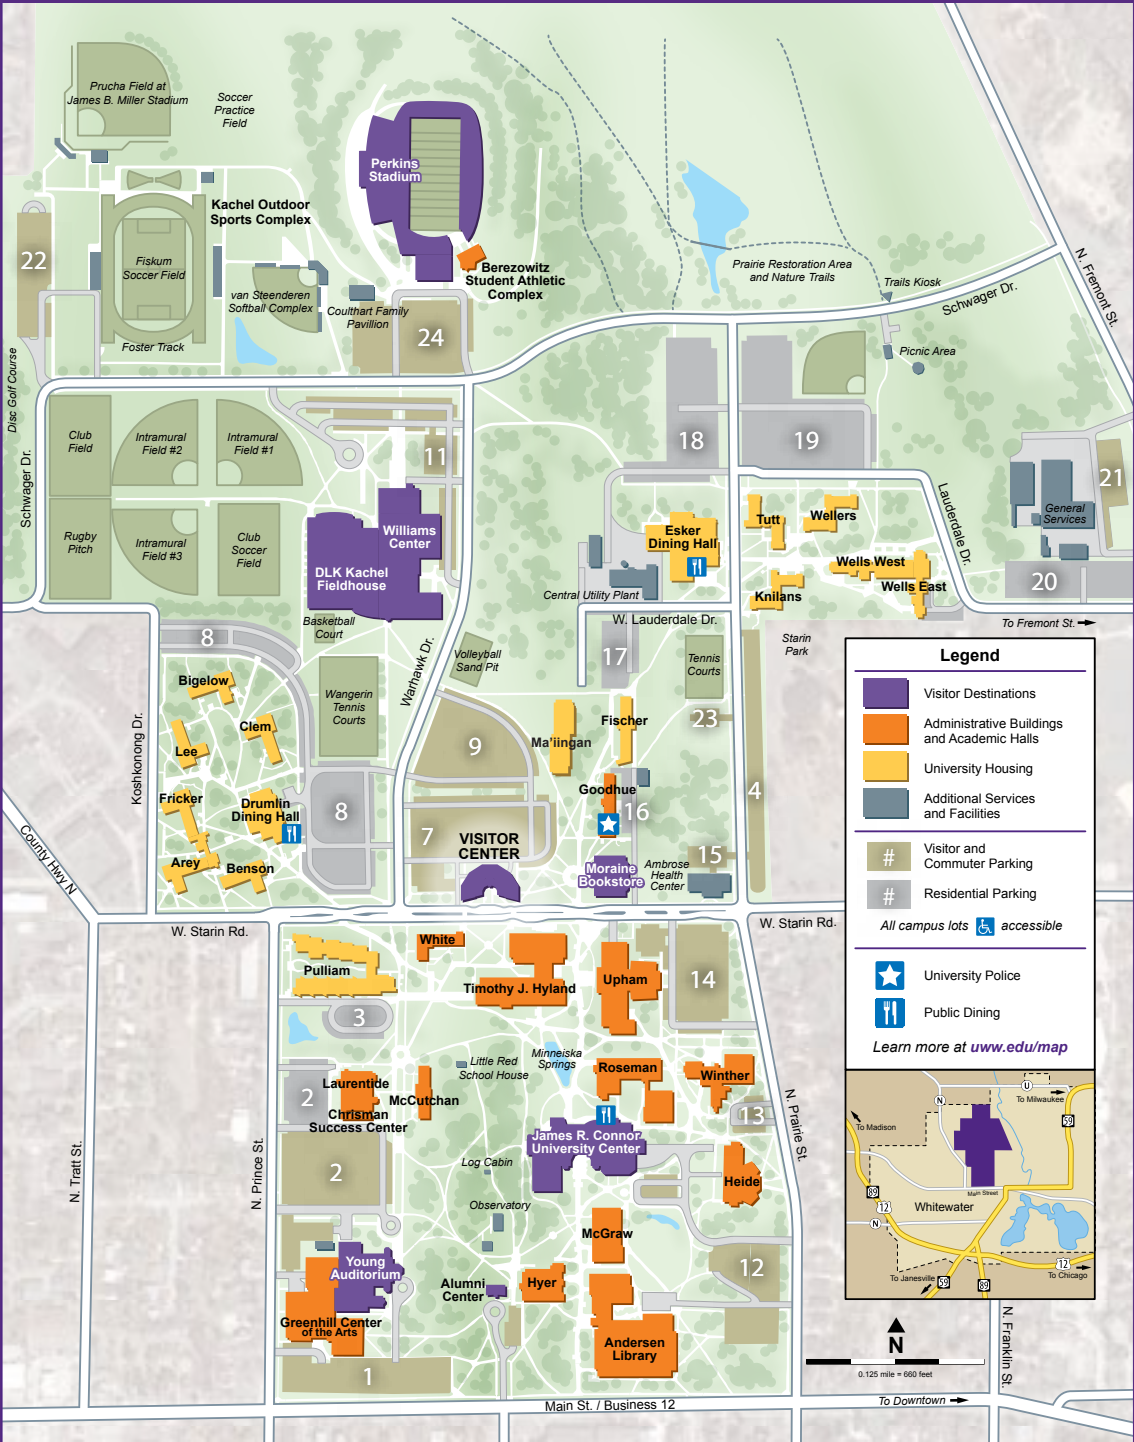

The University of Wisconsin-Whitewater (University) prohibits discrimination on the basis of sex in education and employment, including any educational program or activity receiving federal financial assistance, in accordance with Title IX of the Education Amendments of 1972 ("Title IX") (20 U.S.C. §§1681 et seq. and its implementing regulations, 34 C.F.R. Part 106). This prohibition applies to all forms of sex discrimination, including sexual harassment and sexual violence. The University is committed to providing a safe environment for all students. We will take prompt and effective steps to respond to complaints, pursuant to our Sexual Misconduct Policy: www.edu/student-handbook/policies-sexual-misconduct.

For more resources and to file a complaint, go to www.edu/dean-of-students/reporting-forms or contact:

Vicki Schreiber
Title IX Coordinator
Human Resources and Diversity
Hyer Hall, Room 330
