

# Ice Age Trail Alliance

Mission to **create, support and protect** the thousand-mile footpath tracing the Ice Age formations across Wisconsin – **Ice Age National Scenic Trail**

## Potential CBL Partnerships

- **All students/faculty/staff:** Stewardship projects on the Ice Age Trail, such as trailbuilding, maintenance and removing invasive plants.
- **Education:** engage the next generation in conservation conducting in-classroom presentations, & creating service learning curriculum.
- **D.E.I.:** help lead & engage a diverse audience on campus to enjoy the Trail.
- **Marketing:** assist with marketing & communications related to community engagement & events (including strategy & tactics).
- **Geology:** lead hikes to highlight the geology, and create earth caches along the Trail.

## UW-Whitewater is the first Ice Age Trail Campus!

The Ice Age Trail Alliance and UW-Whitewater have come together to collaborate in a **Community Based Learning** partnership.

### Objectives:

- UW-Whitewater students, faculty and staff engage with the Ice Age Trail, one of only 11 National Scenic Trails in the United States, and minutes from campus.
- UW-Whitewater community has the opportunity to explore, build, maintain and support the surrounding landscape in an outdoor classroom.
