Registration Transfer Policy

The registration reservation is a purchase that cannot be transferred from one person to another person after the reservation is made. In the event you need to cancel (due to change of plans, injury, etc.) the registration cannot be passed to teammate, family member, etc.

Camper Safety

Medications and Field Trips:

All participants **must** complete the [health/field trip form](#) prior to arrival.

Due to state regulations, we are required to collect all reported medications used by minors. Medications will be collected by our athletic trainers at event check-in and returned at check-out. Please remember to properly label and pack minors' medication. All medication, including vitamins, supplements and over the counter medication, should be in their original containers. If using an EPI pen or inhaler, we recommend bringing two to event - one to keep on the person and another with the athletic trainers. If only one is available, it will be kept with the minor unless otherwise requested. If medications are not picked up at check out, medications will be mailed to the address provided in at registration.

Authorized Pick-Up:

To ensure camper safety, camp staff will request any individual picking up a camper to present a state issued photo identification. All individuals will need to be listed on the camper's registration or communicated prior to pick-up by calling/emailing the Camp Director or Continuing Education.

Health Service:

Parents will be called for advice and recommendations if the problem does not require immediate medical attention. Should your child require medical attention, the camp health supervisor will assess appropriate measures to take. UW-Whitewater camps have the full cooperation of Fort Memorial Hospital and emergency room personnel. For participants taking medication, please complete the health form prior to arrival. When possible, the Athletic Trainers and health staff will contact parent(s)/guardian(s) before seeking treatment.

You will be required to provide health information in the registration. Athletic Trainers and health staff will refer to the registration whenever medical treatment is necessary; this is the only guide a health care provider will have in case of an emergency.

Injuries during Camp:

Should an injury occur the event director will seek medical attention from UW-Whitewater Athletic Trainers or call 911 in a medical emergency.

1. After the registrant is being cared for the event director will report to the Youth Compliance Coordinator details on the injury. The event director will distribute the [Injury Claim Form](#) to the injured participant and their family. See "Filing Accident Claim" tab for more details on how to file a claim.
2. The Youth Compliance Coordinator will notify UW-Whitewater Risk Management of the incident/injury.
3. Injury claim form is submitted to Gallagher by the parent; Gallagher then submits injury claim form to HSR (Claims Company for accident policy).
4. HSR will contact UW-Whitewater Risk Manager to authorize the incident via phone or email.
5. Upon confirmation of a covered claim, HSR will add the injury to their claims system so that corresponding medical bills will be eligible for coverage.

Camper Safety continued

Dining/Dietary Services:

All campers will be served lunch and dinner. Only resident campers will be served breakfast. Any special dietary needs and questions can be accommodated/answered there by Rachel Omdoll, Campus Dietician, at omdollr@uww.edu or 262-472-1357.

Inclement Weather:

In the event of inclement weather, Camp Directors will move campers to identified safe spaces on campus. Campus police and Continuing Education support each camp in communicating potential storms and developing a plan to ensure participant safety.

Excessive Heat:

Participants are advised to bring fans, as many of the residence halls are not air conditioned. Greenhill Center of the Arts, Moraine Bookstore, Upham Hall, University Center and dining halls are air-conditioned. During periods of heat, directors will provide a cool area for participants and will take all the necessary precautions to avoid heat fatigue.

2023 Fine Art Camp – Workshop Specific Supply List

Please note: All campers will receive a free small-sketchbook courtesy of Artist & Craftsman art supply store (Madison Location)

All campers must bring a board game to play with other campers on our “Game Night” on Wednesday evening, June 28th.

Digital Media:

- No additional materials needed for this workshop

Sculpture:

- Hard-sole shoes with closed toes (safety requirement) - Sneakers are okay, boots will provide best safety protection
- Two bandanas
- Blue jeans

Bookmaking:

- Graphite pencils (2H, HB, 2B and 4B)
- Ball point pen
- Miscellaneous drawing supplies of student’s choice (colored pencils, ink pens, markers, pastels...)
- Eraser
- Pencil Sharpener

Painting:

- Pencil & eraser
- Cloth rag (an old t-shirt cut into smaller segments works great)

- A variety of paint brushes – preferably a variety of brush types and sizes: Brush types I generally use are Rounds and Filberts (or Brights)

2023 Fine Art Camp – Workshop Specific Supply List – Cont'd

Brushes and the numbering systems will vary by brush maker, which makes them difficult to purchase, as there is no uniform standard sizing. **Therefore, it would be ideal to have 2-3 different sizes for each brush type. A small, medium and large.**

I primarily paint with only Filberts and Rounds. For Filberts, I like a small (#2 or #4), a medium (#6 or #8) and a large (#10 or #12). For Rounds, I prefer smaller brushes for line work such as a #0 and #2, or #2 and #4.

*The largest sized brush needed would be a Filbert (or Bright) style that is 1" wide (like a size #12).

- Lastly, bring some personal photographs (4x5) as a reference for the large-scale painting project. Ideal reference photographs should have strong light & shadow (VALUE) information. Black and white printouts of pictures are acceptable. However, the pictures/printouts cannot be larger than 6" in any direction to fit into an opaque projector machine that we will use to transfer the images onto our canvas before painting.

If you are unable to visit an art supply store in person, I would recommend that you order the art materials online. It generally will be the fastest, cheapest and easiest way to acquire the necessary brushes for the painting workshop. I personally use art supplier, Dick Blick (dickblick.com), to order my own art supplies. They are generally the cheapest and closest to Wisconsin (they are located in Illinois), so items ship quickly.

Message from the Camp Director

Hello and welcome to the University of Wisconsin – Whitewater 2023 Fine Art Summer Camp. On behalf of the University of Wisconsin – Whitewater community, I would like to thank you for your interest and participation in this year's summer camp.

My name is Greg Porcaro. I am an Associate Professor in the Art department and just finished my 22nd year of teaching at UWW, where my primary teaching responsibilities are in the Painting and Drawing disciplines. In addition to being a full-time instructor, I am also the founder and director of the UWW Fine Art Summer Camp.

Included with this letter you will find several resources for your upcoming camp. First, a general camp packing list that covers the basics of daily camp life in the dormitory and on campus. This list includes suggestions for needed items for the dorms, such as towels for bathing and swimming, basic toiletries, such as soap and shampoo, deodorant, feminine hygiene products and even softer toilet paper if you choose to bring it - anything that will make your stay on campus more enjoyable!

Secondly, and most importantly, there is a workshop-specific list of items each camper will need to bring for the respective workshops that have been selected. It will be important that you spend the next few weeks acquiring these items. Feel free to reach out to me with any questions you might have about workshop materials.

Based on my experience from last summer, I would encourage all campers to bring personal snacks for themselves for the evening hours. We generally eat dinner around the 5–6 PM time frame, which is relatively early, considering some evenings we will be working/involved in activities until 9 –10 PM. Last summer, I noticed most students were hungry towards those later evening hours, so having some snacks to consume will help alleviate a growling stomach before breakfast is served. There are vending machines in the Greenhill Center of the Arts, the University Center and Ma'iingan dorms (that accept cash or credit card). As a safety precaution, our campers are not allowed to leave campus to walk to local stores to purchase food items. Some students did order local fast-food delivery to their camp dorms in the evenings. This is acceptable but does require paying out-of-pocket for the food and delivery. Whitewater does have a few pizza delivery options (Toppers, Dominos, Rosa's or Pizza Hut). You may want to consider setting up an account/app on your camper's cell phones for these businesses or food delivery services such as Door Dash or Chow Now prior to coming to camp to alleviate the need for a cash transaction when ordering additional food in the evenings.

As the camp draws closer, we will continue to prepare for your arrival by ordering the necessary materials and finalizing all camp logistics. If you have any questions, please feel free to contact me via email at porcarog@uww.edu or by phone at 262-472-1324 (Art Office). Otherwise, we will see you all on Sunday, June 25th, 2023!
