Camper Safety

Medications:

All participants **must** complete the [health/field trip form](#) prior to arrival.

Due to state regulations, we are required to collect all reported medications used by minors. Medications will be collected by our athletic trainers at event check-in and returned at check-out. Please remember to properly label and pack minors medication. All medication, including vitamins, supplements and over the counter medication, should be in their original containers. If using an EPI pen or inhaler, we recommend bringing two to event - one to keep on person and another with the athletic trainers. If only one is available, it will be kept with minor unless otherwise requested. If medications are not picked up at check out, medications will be mailed to the address provided in at registration.

Authorized Pick-Up:

To ensure camper safety, camp staff will request any individual picking up a camper present a state issued photo identification. All individuals will need to be listed on the camper's registration or communicated prior to pick-up by calling/emailing the Camp Director or Continuing Education.

Health Service:

Parents will be called for advice and recommendations if the problem does not require immediate medical attention. Should your child require medical attention, the camp health supervisor will assess appropriate measures to take. UW-Whitewater camps have the full cooperation of Fort Memorial Hospital and emergency room personnel. For participants taking medication, please complete the health form prior to arrival. When possible, the Athletic Trainers and health staff will contact parent(s)/guardian(s) before seeking treatment.

You will be required to provide health information in the registration. Athletic Trainers and health staff will refer to the registration whenever medical treatment is necessary; this is the only guide a health care provider will have in case of an emergency.

Injuries during Camp:

Should an injury occur the event director will seek medical attention from UW-Whitewater Athletic Trainers or call 911 in a medical emergency.

1. After the registrant is being cared for the event director will report to the Youth Compliance Coordinator details on the injury. The event director will distribute the [Injury Claim Form](#) to the injured participant and their family. See "Filing Accident Claim" tab for more details on how to file a claim.
2. The Youth Compliance Coordinator will notify UW-Whitewater Risk Management of the incident/injury.
3. Injury claim form is submitted to Gallagher by the parent; Gallagher then submits injury claim form to HSR (Claims Company for accident policy).
4. HRS will contact UW-Whitewater Risk Manager to authorize the incident via phone or email.
5. Upon confirmation of a covered claim, HSR will add the injury to their claims system so that corresponding medical bills will be eligible for coverage.

Camper Safety continued

Dining/Dietary Services:

All campers will be served breakfast, lunch, and dinner. Any special dietary needs and questions can be accommodated/answered there by Rachel Omdoll, Campus Dietician, at omdollr@uww.edu or 262-472-1357.

Inclement Weather:

In the event of inclement weather, Camp Directors will move campers to identified safe spaces on campus. Campus police and Continuing Education support each camp in communicating potential storms and developing a plan to ensure participant safety.

Excessive Heat:

Participants are advised to bring fans. Note: The gymnasiums are also not air-conditioned. Greenhill Center of the Arts, Moraine Bookstore, Upham Hall, University Center and dining halls are air-conditioned. During periods of heat, directors will provide a cool area for participants and will take all the necessary precautions to avoid heat fatigue. This may include cancelling awards ceremonies in the gymnasium. Participants are advised to bring fans, as many of the residence halls are not air conditioned.
