## Know before you go

### Refund Policy

Cancellations received more than 21 days before the start of an event will receive a refund, less the non-refundable deposit. Most cancellations received less than 21 days from the start of camp will receive a refund minus 50% late cancellation fee. See camp event website for specific policy

### Transfer Policy

The registration reservation is a purchase that cannot be transferred from one person to another person after the reservation is made. In the event you need to cancel (due to change of plans, injury, etc.) the registration cannot be passed to teammate, family member, etc.

### Inclement Weather

In the event of inclement weather, Camp Directors will move campers to identified safe spaces on campus. Campus police and Continuing Education support each camp in communicating potential storms and developing a plan to ensure participant safety.

### Excessive Heat

Participants are advised to bring fans, as many of the residence halls are not air conditioned. Note: The gymnasiums are also not air-conditioned. Greenhill Center of the Arts, Moraine Bookstore, Upham Hall, University Center and dining halls are air-conditioned. During periods of heat, directors will provide a cool area for participants and will take all the necessary precautions to avoid heat fatigue. This may include cancelling awards ceremonies in the gymnasium.

## Fine Art Packing List

### Digital Media

- No additional materials needed for this workshop

### Painting

- Pencil & eraser
- Cloth rag (an old t-shirt cut into smaller segments works great)
- A variety of paint brushes - preferably a variety of brush types and sizes: Brush types I generally use are Rounds and Filberts (or Brights)
- Black Sharpie Marker
- Q-Tips
- Plexiglas 18" x 24" x 1/8" thick

### Paint Brushes:

Brushes and the numbering systems will vary by brush maker, which makes them difficult to purchase, as there is no uniform standard sizing. **Therefore, it would be ideal to have 2-3 different sizes for each brush type. A small, medium and large.**

I primarily paint with only Filberts and Rounds. For Filberts, I like a small (#2 or #4), a medium (#6 or #8) and a large (#10 or #12). For Rounds, I prefer smaller brushes for line work such as a #0 and #2, or #2 and #4.

\*The largest sized brush needed would be a Filbert (or Bright) style that is 1" wide (like a size #12).

- Lastly, bring some personal photographs (4x5) as a reference for the large-scale painting project. Ideal reference photographs should have strong light & shadow (VALUE) information. Black and white printouts of pictures are acceptable. However, the pictures/printouts cannot be larger than 6" in any direction to fit into an opaque projector machine that we will use to transfer the images onto our canvas before painting.

If you are unable to visit an art supply store in person, I would recommend that you order the art materials online. It generally will be the fastest, cheapest and easiest way to acquire the necessary brushes for the painting workshop. I personally use art supplier, Dick Blick ([dickblick.com](http://dickblick.com)), to order my own art supplies. They are generally the cheapest and closest to Wisconsin (they are located in Illinois), so items ship quickly.

**Please Note:** All campers will receive a free small-sketchbook courtesy of Artist & Craftsman art supply store (Madison Location)

### Bookmaking

- Graphite pencils (2H, HB, 2B and 4B)
- Ballpoint pen
- Miscellaneous drawing supplies of student's choice (colored pencils, ink pens, markers, pastels, etc.)
- Eraser
- Pencil Sharpener

### Ceramic

- Apron
- Large Bath towel
- Clay or sculpting tools
- Small paint brushes
- 1 gallon plastic bucket/pail
