

United Way of Jefferson and North Walworth County

Our mission is to fight for the health, education and financial stability of every person in our communities. We provide substantial grant funding to 30 local nonprofits that are providing crucial health and human service related programs. We support community enhancement projects through our pillar grants and offer community programs like our free transportation program Ride United, our free online volunteer platform and a community garden.

United Way of Jefferson & North Walworth Counties

Potential CBL Partnerships:

- Internships
- Public Policy/Advocacy Work
- Non-profit industry research
- Creation of marketing & communications materials

Main Objectives for CBL Partnership:

To provide support to our one-staff office; to create compelling marketing materials to tell the story of United Way and our impact; to advance advocacy work on important issues facing our communities; to develop the next generation of nonprofit leaders in our area.
