

**PERFORMER'S CONTRACT**

(Revised 4/18/2024)

The purpose of this document is to create a binding agreement between the Theatre/Dance Department and the performers cast in its productions.

Performers are expected to be aware of and follow all requirements as outlined in the *General Performer Expectations* document drafted by the TH/D Department. If a show requires commitment beyond what is established in this document, it will be outlined on the cast list for performers to read before accepting their role. Performers who do not abide by the rules or meet expectations outlined in this document will face department supported consequences, up to and including removal from a production or being removed from future casting consideration.
