

Music Department Advising Worksheet

INSTRUCTIONS: Please fill out Parts I and II prior to your meeting with your advisor. You should feel free to put courses in your WINS “shopping cart” prior to the meeting, so that you can enroll as soon as it’s permissible. Note that you will need to look at your own Academic Advising Record (AAR), prior to the meeting to fill in some of these items. Your advisor may or may not expect you to come to the meeting with a printed copy of the AAR—check with them. You will also want to refer to the advising grid for your degree—available at: www.uww.edu/cac/music/academics/degrees.
