ACKNOWLEDGEMENTS

I would like to thank Professor Brian Leeper for the work he has done with me over the past four years. I am the singer I am today because of him, and I will always be grateful for the direction he gave me and the passion for classical music that he instilled in me. I would also like to thank Dr. Sarah Read Gehrenbeck. She has been my accompanist ever since she played for my audition here at UW-Whitewater, and I never thought she would end up sticking with me until my senior recital. She has proven herself over and over as being the best accompanist I could have asked for, and I wouldn't trade anything for the things she has taught me. Finally, I would like to thank my family, especially Mom and Dad, and my friends. I love you all and your guidance and support have allowed me to grow well past my expectations I had for myself. Thank you for coming, and I hope you enjoy the performance.

~ Jacob Krueger

I want to extend a heartfelt "thank you" everyone that has supported me over the years here at UW-W. I am grateful for my family and friends who have always had my back and encouraged me in my schooling. Of course many thanks to the wonderful faculty here at Whitewater. Special thanks to my parents, Casey and Larry; my grandma Rose for supporting my education: My great friends/roommates, Molly, Cassie, Stephanie, Michael, Noah, and Jacob; and of course my lesson professor Dr. Whitcomb for pushing me farther on cello than I ever thought possible.

~Erik Schmitt

Whitewater Symphony & Chamber Orchestras

October 24 @ 3:00 pm Young Auditorium

The Whitewater Symphony Orchestra is the flagship orchestra at UW-Whitewater. WSO is a full orchestra and includes woodwinds, brass, percussion, and strings. In addition to performing 2-3 concerts each semester, the Symphony Orchestra tours semi-annually. Repertoire selections focus on standard symphonic masterworks, but include a variety of works from the classical period to modern day. Each year student concerto soloists are selected to perform with the orchestras through the annual concerto competition and members of the music faculty at UW-Whitewater make guest solo appearances with the orchestras.

Gala Benefit Concert

December 4 @ 7:30 pm, Young Auditorium

An annual tradition, the Department of Music presents the Gala Benefit Concert. Now more than ever, we are profoundly grateful for music and the promise of performing live for audiences again. The Gala concert features works from every student ensemble in the department, from the Whitewater Symphony Orchestra to the Clarinet Ensemble. All proceeds benefit the Music Department Scholarship fund which allows the department to recognize students for their talents and academic excellence.

In addition to the concert, you can support the student scholarship fund through the Gala Berres Brothers Coffee Fundraiser. Get your holiday shopping done early! Get gifts of coffee and cappuccino for your friends and family, office mates and more.
