Meeting called to order at 2:01 p.m.

A. Approval of December 7, 2017 Minutes (handout at meeting). Adogamhe/Winden moved.
Motion passed unanimously.

B. Announcements

1. The testing of Gen Ed Recertification forms in CL is now complete and the process is now live. Proposals for recertification only (without any other proposed revision) will be considered informational only items for the College Curriculum Committee ("Receive and Record") and will be sent immediately to the Gen Ed Review Committee for consideration. Departments are urged to get their Gen Ed electives recertified this spring, if possible. (There are over 300 Gen Ed elective courses in total!)
2. The Diversity Committee is also undertaking a recertification process for Diversity courses approved before 2012 using the CourseLeaf course revision form. Please contact the Diversity Committee chair, James Castrillo, University Library, for details.
3. Angela Harlan from Mathematics discussed the UW System initiative to standardize the gateway college-level mathematics courses offered across the system around three courses: 1) Statistics; 2) Quantitative Reasoning (MATH 139); and 3) College Algebra (MATH 150). These proposed changes will be reviewed by a UWW/U-Rock team this summer; this review will include a campus "summit" in late June. Stay tuned. Angela also reminded the committee that new cut scores for math placement will be going into effect in Fall.
4. Melissa Thoma has left the Registrar's office for another job on campus. Inquiries about the catalog should be directed to Abbie Windsor.

-more-

C. Information Only items:

1. **Currency of Catalog (Received and sent to the UCC for Jan. 3, 2018 deadline). Zimmerman/Barnes-Gilbert moved. Motion passed.**
