A. Introductions

1. Absences-please send alternate to act as member

B. Approval of April 25, 2019 Minutes (handout at meeting), Hough/Anderson moved to approve. Minutes approved unanimously.

C. Review

1. 2019-2020 CCC Guidelines: Zimmerman/Barnes-Gilbert moved to approve 2019-2020 Guidelines. Motion passes unanimously.
2. CCC calendar and University Curricular calendar: Faculty Senate's meeting date in February needs to be adjusted. It's too late for the Registrar's Office.
3. CourseLeaf review.  
Angela Harlan is updating Curriculum Handbook; remember that when revising crosslisted courses, both course forms must be updated; if crosslisting revisions are missed, Liz and/or UCC will see red boxes, then Registrar's Office catches it. Mandatory syllabus info are strictly enforced (the Provost's Office employs students to look at syllabi). Also if you would like to get the same Courseleaf email notification that you Chair receives, email Becky Pfeiffer with the request.
4. Election of Representative to the L&S International Education Committee. Zimmerman/Davis moved to elect Adam Paddock. Motion passes. Thank you Adam.
5. Announcements: Special Administrative Council meeting next week to discuss re: BAAS Degree. Note that there is currently no expectation that Whitewater departments consult with CIS about new/revised courses and programs; UCC ensures that necessary consultations with CIS happen.

Social Work proposals moved up in agenda due to guest Sarah Hessenauer.
