-Review of the Curricular Consultation Policy (found on the main page of CL). See #7 regarding how quickly the consult needs to occur. Also see #10. Consultations must be completed before UCC or Grad Council consideration. It is recommended to have face-to-face meetings. The Consultation Signature Page (or an email) is uploaded into the proposal to indicate approval, disapproval or no contest. Please note that a New Course or a New Program does not have an Eco-system therefore departments do not receive an email notification. Only revisions will initiate an email notification to departments affected by proposal.
