CHARLES E. COTTLE INTERNATIONAL SCHOLARSHIP
Instructions

This scholarship was established in honor of Charles E. Cottle, an emeritus professor of Political Science, serving UW-Whitewater from 1977 to 2008. Dr. Cottle also served as the Director of Instructional Computing for eight years and continues to teach classes since retirement. The scholarship was created in 2011 through personal gifts and from the generosity of those that made gifts in honor of Dr. Cottle. In addition to being a longtime supporter of study abroad opportunities for students, Dr. Cottle is an integral figure in the creation of several travel study and international exchange opportunities for both faculty and students, primarily in Mexico.

This scholarship shall be awarded only to students enrolled at the University of Wisconsin-Whitewater, with a major in the College of Letters and Sciences, who are pursuing a first-time study abroad or travel study program sponsored by UW-Whitewater or the UW System. Recipients may only receive the scholarship only once. In the event the recipient voluntarily discontinues his or her university education, or fails to remain in good academic standing as prescribed by the University for continuation, she or he shall forfeit all rights of the scholarship, and the money shall revert back to the fund.
