

SAMPLE Four Year Plan | Bachelor of Science in Education - History

The curriculum in the College of Education and Professional Studies is structured so that students move through classes in a prescribed order. Prerequisites are important and are strongly enforced. The four year plan illustrates the type of curriculum a new freshman could take to complete a degree in four years; it is not an official document. Refer to Academic Advising Report for full requirements.

College of Education and Professional Studies

Students must begin their Math and English sequences with the appropriate course. The English course a student starts with will be determined by their ACT English or SAT Verbal score. The Math course a student starts with will be determined by their UW System math placement score.

Admission to Professional Studies is required for students to take upper division courses in their educator preparation program. Eligibility requirements can be found at: <http://www.uww.edu/coeps/advising-admissions/admission-to-professional-education>

History BSE program completers will be endorsed for licensure to teach History, Economics, Geography, Political Science, Psychology and Sociology content courses at the Wisconsin Department of Public Instruction and be eligible to teach grades 4-12. This program will result in a Broadfield Social Studies License.

Students will be required to pass additional assessments prior to student teaching and licensure.
