

SAMPLE Four-Year Plan B.A. Criminology FALL 2022 Requirements

The curriculum in the criminology major is flexible and allows students to move through the coursework in many ways. This four-year plan illustrates one possible path a new freshman could take to complete a degree in four years. This is not an official document and is not the only way that a criminology degree can be completed in four years. Current students should refer to their individual Academic Advising Report for specific graduation requirements. Courses in bold indicate major-based coursework that is completed in the first year.

Opportunities: Joining a university sponsored club, such as the Law Enforcement Organization (LEO), is strongly encouraged. Involvement in a club or activity will help you develop interpersonal skills and give you the opportunity to learn and practice leadership skills. This participation will look good on a resume or an application to graduate school. Additionally, students are encouraged to participate in Alpha Phi Sigma, the National Honor Society of Criminology Students.
