

UNIVERSITY OF WISCONSIN  
**WHITEWATER**

COLLEGE of BUSINESS AND ECONOMICS

**CORPORATE SOCIAL RESPONSIBILITY CERTIFICATE REQUIREMENTS**

The Corporate Social Responsibility Certificate is available to any major at the University, including business majors. It is not a major nor a minor but rather a credential that can be noted on your transcript as a certificate.

Business majors must be admitted to upper division business courses prior to taking these courses, and non-business majors must have at least 60 credits earned and a 2.00 grade point average. If you do not have a declared business major or minor but are pursuing the certificate, you will need permission from the Marketing Department to register for these courses:

**Select 6 units from:**

| Course No.          | Course Name                          | Prerequisites                      |
