

## EXPERIENTIAL AND SPORTS MARKETING CERTIFICATE REQUIREMENTS

The Marketing-Experiential and Sports Marketing certificate is available to any major at the University, including business majors. It is not a major nor a minor but rather a credential that can be noted on your transcript as a certificate.

The Experiential & Sports Marketing Certificate seeks to develop undergraduate-level academic credit courses that provide a foundational and applied base of knowledge related to establishing and managing immersive brand-customer experiences in the sports and live experiences/events sector through brand sponsorships and the marketing of sports, entertainment, tourism, the arts, and related industries.

Business majors must be admitted to upper division business courses prior to taking these courses, and non-business majors must have at least 60 credits earned and a 2.00 grade point average. If you do not have a declared business major or minor but are pursuing the certificate, you will need permission from the Marketing Department to register for these courses:
