\*Lower division business courses that require 24 credits and a 2.5 combined GPA to register for them.

\*\*Upper division business core courses that are required for all majors in the College of Business and Economics.

**Transfer students** may have different general education requirements than those listed. Refer to your Advising Report for requirements specific to you.

\*\*\*Science Course requirements are as follows: Select at least 30 credits from: Biology, Chemistry, Geography, Geology, or Physics. At least 10 of the 30 credits must be from 200 level coursework or above EXCEPT Biology 200, Biology 214, Biology 230, and Physics 212 or Physics 240.

## Upper Division Business Core courses\*\*

All business majors are required to take the upper division core of business courses below. In most cases, it is recommended that you complete these courses in your junior year. In some cases, specific core courses are recommended in specific semesters; otherwise, you may take them in either semester of your junior year. The junior-level upper division business core courses are:

**FNBSLW 344-Business Finance** (*pre-req. Account 244*)  
**ITSCM 306-Operations Management** (*pre-req. ECON 245*)  
**FNBSLW 341-Business and Commercial Law**

**MANGEMNT 301-Organizational Behavior**  
**MARKETNG 311-Principles of Marketing**

**MANGEMNT 489-Strategic Management** is a senior-level capstone course and has five prerequisite courses: FNBSLW 341, FNBSLW 344, MANGEMNT 301, ITSCM 306, and MARKETNG 311.

### General Advising Notes

#### \*\*\*SCIENCE COURSE REQUIREMENTS (30 Units)

**Science Course requirements are as follows:** Select at least 30 credits from: Biology, Chemistry, Geography, Geology, or Physics. At least 10 of the 30 credits must be from 200 level coursework or above EXCEPT Biology 200, Biology 214, Biology 230, and Physics 212 or Physics 240.

Student should take Marketing 311, FNBSLW 341, and Management 301 as their first Upper Division Core courses. Student will automatically fulfill their International Requirement with COMM 424. SCIBUS 493 should be taken junior year or the summer before senior year and requires department consent. SCIBUS 485 requires a senior standing and completion of SCIBUS 493.

(F) = Course Offered in Fall only (S) = Course Offered in Spring only

## College of Business and Economics Notes

### Admission to the Upper Division Business Courses:

As a business major, you must first be admitted to the upper division to take 300- and 400-level business courses. Admission to upper division business courses requires that you meet the following criteria:

1. Have 54 or more projected units. Projected units are the number of units that will be earned at the end of the present term.
2. Have finished or be registering for the last unique and lower division business courses required for admission, indicated in **bold** on the previous page.
3. Have earned a combined (transfer and UW-Whitewater) GPA of at least 2.8.

After being admitted to upper division business courses, you must maintain a 2.50 combined cumulative GPA to be able to continue enrolling in business courses.

### In order to graduate, business students must have:

1. At least 120 Units
2. 2.50 combined cumulative GPA, 2.50 combined GPA in the major, 2.50 combined GPA in all subjects offered by the College of Business and Economics
3. Completed all course requirements of the degree and major.
