

AUGUST 22 - 29, 2021

Future Teacher Program Summer Institute 2021

The Future Teacher Program serves students interested in the teaching profession who self identify as part of underrepresented populations, including, but not limited to: race, ethnicity, gender identity or expression, first generation students, students with disabilities, students who are DACA eligible, or students receiving financial assistance. The program also serves any student interested in high demand teaching areas such as listed below:

Biology Education	Mathematics Education	Special Education
Chemistry Education	English as a Second Language	Library Media K-12
Business Education	Early Childhood Education	Spanish Education
		Physical Education

Institute Objectives

- Develop a peer group
- Learn about UW-W campus, services and admissions
- Strengthen college readiness skills

Institute Goals

- Increase student retention and graduation rates
- Increase the diversity of students majoring in education
- Increase the number of students graduating in high demand areas

Institute Activities

- Participate in college success workshops
- Participate in fun, interactive & recreational learning activities
- Participate in personal and professional workshops and community service projects

Eligibility

- High school seniors and/or transfer students admitted to the University of Wisconsin-Whitewater, fall 2021, with a declared education major (see above)
- Students are required to complete the online application process. Once all available slots are filled, students will be placed on a waiting list. Early application is highly recommended.

Lodging

Students will move into their assigned residence hall the first day of the Summer Institute program Sunday, August 22, 2021.
