

## 2023 Winterim Application Directions

### Overview:

Winterim is a three-week session held between the Fall and Spring terms designed to help students keep on track for graduation. Financial Aid for Winterim is awarded separately from the Fall 2022 and Spring 2023 terms, and there are many differences between eligibility for aid during Winterim and the academic year. Federal grant and loan eligibility is **very** limited for Winterim and many students will not be eligible.

### General Eligibility Requirements:

In order to be eligible for and awarded federal financial aid for Winterim, you must meet all of the following requirements:

- Have a completed and fully processed 2022-2023 Free Application for Federal Student Aid (FAFSA).
- Be enrolled in courses for the Winterim term and have submitted this 2023 Winterim Application.
- Be enrolled at least half-time for the Spring 2023 term. Students who are not enrolled at least half-time for Spring are not eligible for any Winterim financial aid. Half-time status is defined as:
  - Undergraduate Students: 6 credits
  - Graduate Students: 4.5 credits
- Be maintaining Satisfactory Academic Progress.

Students who graduate(d) in the Fall 2022 and Winterim 2023 terms are **not** eligible for Winterim financial aid.
