

## 2026-2027 BUDGET ADJUSTMENT REQUEST

### WHAT IS A BUDGET ADJUSTMENT?

When students and/or their families experience a change in circumstances, such as an increase in mandatory or non-discretionary expenses, the cost of attendance (COA) established by the Financial Aid Office may no longer reflect the student's actual costs. In some cases, the Financial Aid Office *may* be able to adjust the cost of attendance based on those expenses. ***Adjustments to the cost of attendance do not guarantee additional financial aid will be awarded.***

### WHAT ADJUSTMENTS MAY BE CONSIDERED?

Adjustments may be considered for increases of the following types of mandatory or non-discretionary student *paid* expenses during the academic year:

- Medical/dental/disability expenses paid during the academic year
- Additional required educational expenses
- Additional transportation expenses for commuting costs
- Childcare expenses
- Computer purchases
- Other non-discretionary expenses

#### ***Please note:***

- Students who live in on-campus housing with costs exceeding the standard budget for room and board need only email our office to request a review of the COA for additional housing expenses.
- Students enrolled in hours exceeding the standard budget (18 for undergraduate students, 12 for graduate students) need only email our office to request a review of the COA for additional tuition expenses.

### HOW DO I REQUEST A BUDGET ADJUSTMENT?

1. Complete the 2026-2027 Budget Adjustment Request form
2. Provide required supporting documentation to UWW Financial Aid Office.

### WHAT HAPPENS NEXT?

Your request will be evaluated only after the original FAFSA and all supporting documentation have been reviewed. It can take several weeks for this process to be completed. If more information is needed to complete your request, the Financial Aid Office will contact you. This could result in a delay in processing your request.

### WILL I GET MORE AID?

Increasing your budget does not increase your Federal Aid eligibility. The maximums are set by the Federal government. However, additional aid options may come in the form of a Parent PLUS Loan or a private loan. You can review additional loan options at [uww.edu/types-of-aid/loans](http://uww.edu/types-of-aid/loans).
