Proposal Information: ([Procedures for form #4R](#))

I. **Detailed explanation of changes** (use FROM/TO format)

FROM:

LIBMEDIA 434/634 Instructional Technology 3u

An introduction to instructional technology as it relates to present and future curriculum objectives. Basic techniques for operating computer enhanced audiovisual equipment, and producing graphic, projected and electronic media are developed, including simple use of video systems, desktop publishing and hypermedia for the classroom and media center.

Prereq: Junior standing

TO:

LIBMEDIA 434/634 **Digital Tools for Learning** 3u

An introduction to **digital technologies for accessing, using, creating and communicating information in a variety of formats for enhancing and improving learning**.

Prereq: Junior standing

II. **Justification for action**

The school library field has changed significantly in recent years. The course descriptions and titles are being changed to reflect the emphasis on digital technologies, access to and organization of information, and information and technology literacy skills. The basic concepts in the course have remained the same, but the formats and terminology have changed.
