*Previously notified.

The December 3, 2020, meeting was called to order at 2:15 p.m. by Interim Associate Dean, Matt Vick. Praveen Parboteeah made a motion to approve the November 5, 2020 minutes, Donna Vosburgh seconded that. Motion passed.

I. Announcements

- A. Abbie Windsor discussed some “cleanup” in CourseLeaf where all emphases that were housed under a program are now listed individually. This is to make it easier for students to understand what is needed and what courses are required for their program. No curriculum was changed during this process.

Matt suggested all coordinators go into CourseLeaf and let him know if there are any issues. If there are any changes, this can be easily changed by working with Becky Pfeifer and would not hold up any curriculum action from any degrees. All coordinators should review their program by 12/23/2020 so this can be included in the 21-22 catalog.

- B. Graduate Research Award funding for 2021-2022 was tentatively denied by WSG. Student government denied our request for \$5,000 to fund the graduate research awards. The rationale was that they felt the graduate award discriminated undergraduate students and the undergraduate award discriminated against graduate students. A joint appeal has been written and we should know more in a month.
