

Happy Earth Day 2016!

Ask not what your earth can do for you, ask what you can do for your earth:

1. Walk to work, cycle or take public transport
2. Use a reusable coffee cup
3. Make sure you recycle
4. Go paperless
5. Take a tote bag whenever you go shopping
6. Plant a tree
7. Go meat or dairy free at least once a week
8. Carry a reusable water bottle
9. Add the [Earth Mode Google Chrome extension](#) to your browser to monitor your energy use
10. Buy local produce

Tips provided by [The Telegraph](#).

Visit the Earth Day website at www.earthday.org for more information about this 46 year old tradition.
