

## Nintendo Wii U Connection Guide

Register the Wii U at  
<https://student.housing.uww.edu/> under Apartment Media

1. From the Wii U Menu, select "**System Settings.**"
2. Select the **Internet** Icon
3. Select **View Mac Address**
4. Enter the Mac Address in the field on the Student Portal
5. Our supervisor will then approve the device within four business days
6. A confirmation email will be sent containing the Network along with the Username and Password to connect to it

### Connecting to the Network

1. Select "Connect to the Internet."
2. Select CM-Play
3. Enter the password provided in the confirmation email
4. When finished, click "Save "
5. Click "Connection Test" to test your connection.
6. Click "OK" if the connection test was successful.
7. If you wish to set this network as your default network, click "Set."
