

## Cambridge Nintendo Switch Guide

Register the Nintendo Switch at  
<https://student.housing.uww.edu/> under Apartment Media

1. From the Home Menu, select **System Settings**
2. Select the **Internet Settings**
3. Select **Other Information**
4. Selection **System Mac Address**
5. Enter the Mac Address in the field on the Student Portal
6. Our supervisor will then approve the device within four business days
7. A confirmation email will be sent containing the Network along with the Username and Password to connect to it

### Connecting to the Network

1. From the Home Menu, select **Internet**
2. Then select **Networks**
3. Look for the CM-Play5 network and click on it
4. Enter the password provided in the confirmation email
5. The device should now be connected to the network

If you experience any issues connecting your device, feel free to contact us.
