Connecting to Email on iOS 14 Devices

OVERVIEW

This guide will walk you through the steps to configure UW-Whitewater email on your iOS device.

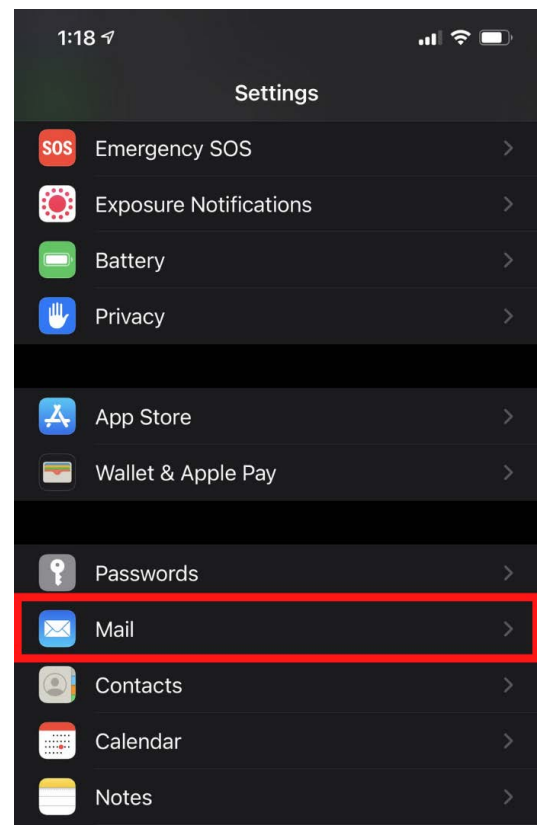

Step 1

From the main screen of your Apple iOS device, locate and tap the  (Settings) button.

Step 2

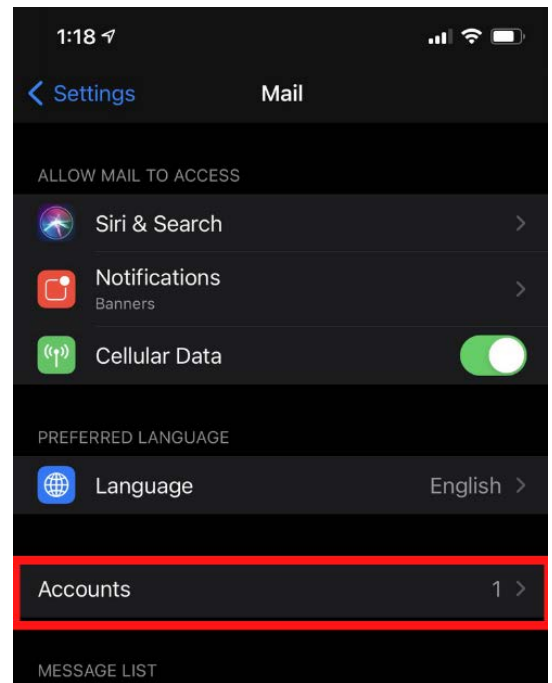

Locate and tap the "Mail" tab under the main settings page.

NOTE: You may need to scroll down the screen to locate option.

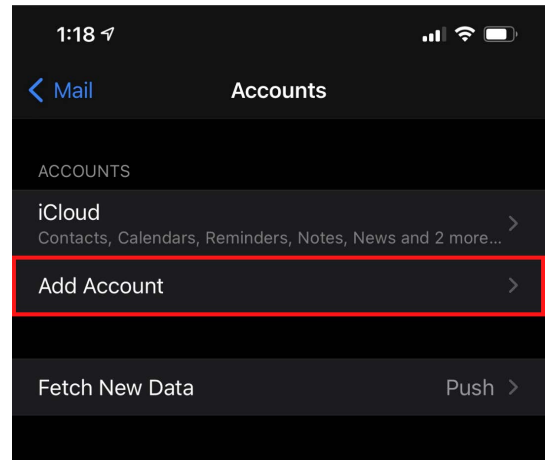

Step 3

Select "Accounts" from the available options.

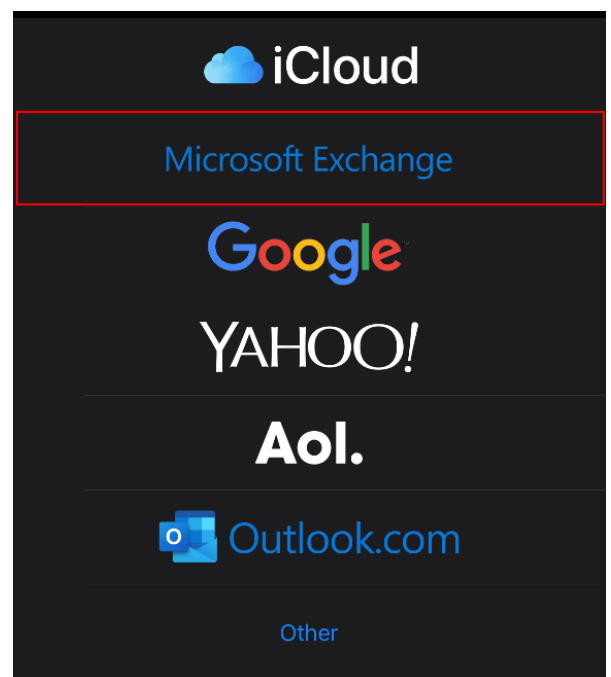

Step 4

Select "Add Account" from the available options.

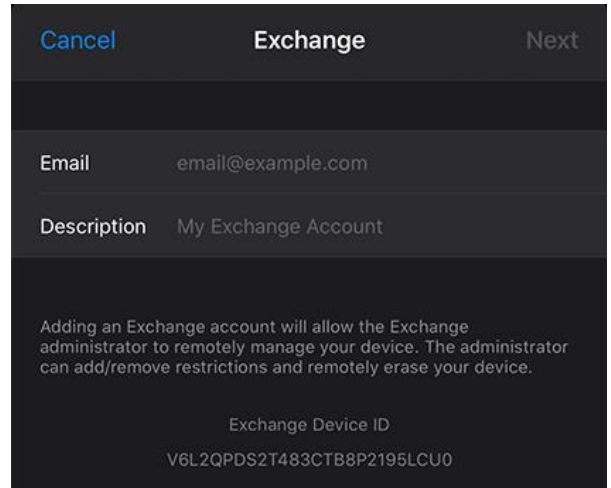

Step 5

Select Exchange.

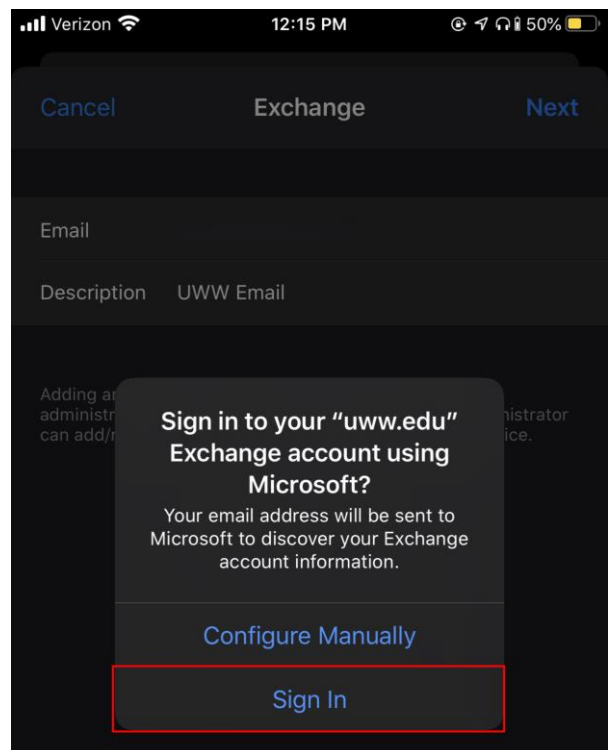

Step 6

Enter your **University email** and a **Description** of your email (i.e. UWW Email), then press **Next**.

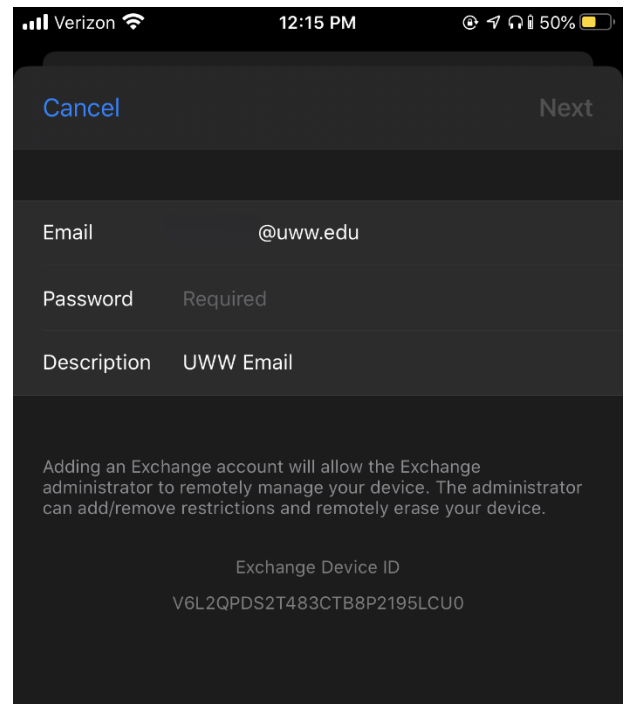

Step 7

A popup will appear that will ask if you would like to **Configure Manually** or **Sign In** to your account. Select **Sign in**.

Step 8

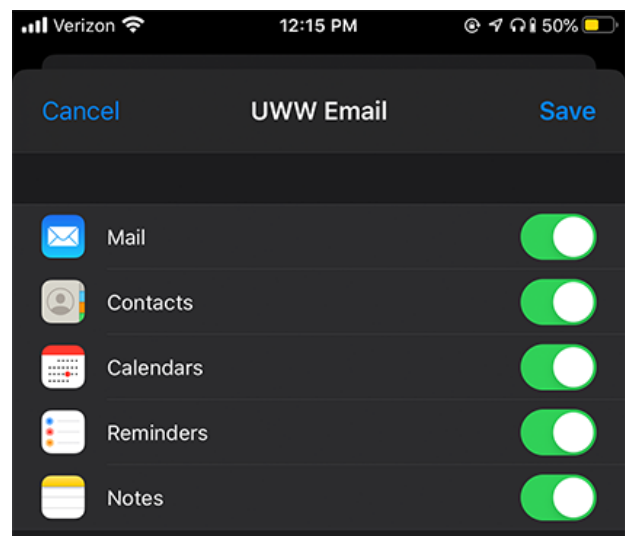

Enter your **Password** for your UWW Email and tap **Next**.

Step 9

Select which apps you would like your email to access and tap **Save**.

Your account is now set up.

Trouble Downloading or Installing?
