

Promotes engagement by connecting students to each other, campus events, and resources.

Helps students with time management by organizing activities in the palm of their hand.

Meet NSS objectives by encouraging students to explore this resource!

### Connect to UW-Whitewater

- Personalized Student Success Network
- Quick access to campus information like daily menus and laundry availability
- Navigate with embedded map
- Instructors and peer mentors can create class events, invite students, and send reminders
- Live feed of campus events can be added to Agenda and others invited to join

### Achieve Academic Success

- Class schedule, events, and activities all together on Agenda
- Direct link to Andersen Library resources
- Facilitate communication on group projects
- Connect with CSD, Tutorial Center, Health Services, and more

### Succeed in Changing World

- Find out about clubs and orgs
- Search the Job Board
- Broaden perspectives through event discussions
- Make a plan with the Financial Literacy Center
- View the free WiFi enabled Shuttle Bus schedule for travel to and from Janesville

All members of campus have access.  
Search for UW-Whitewater in the App Store or Google Play and look for the Warhawk.

## Agenda

Detailed agenda, fed by the SIS and personal calendars

## Courses

Visibility and access to course information

## Success Network

Quick access to resources customized for each student

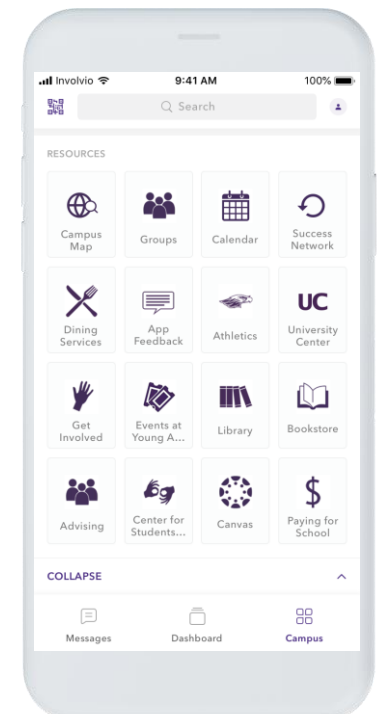

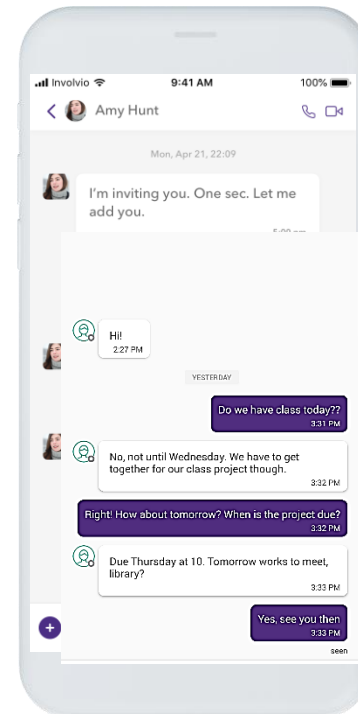

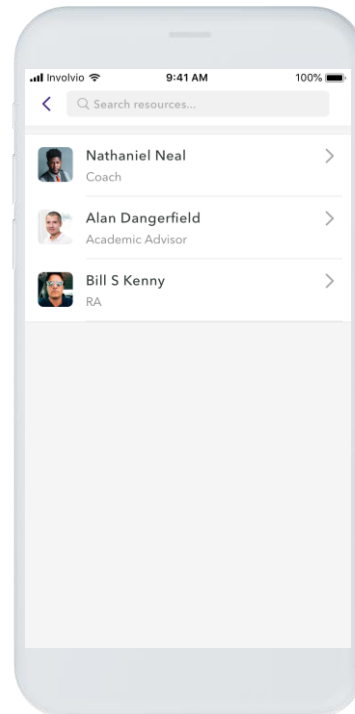

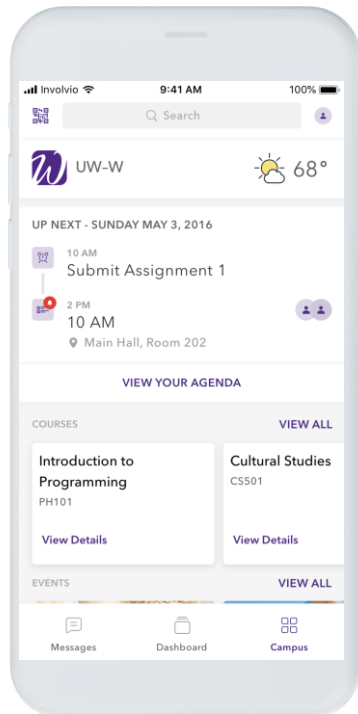

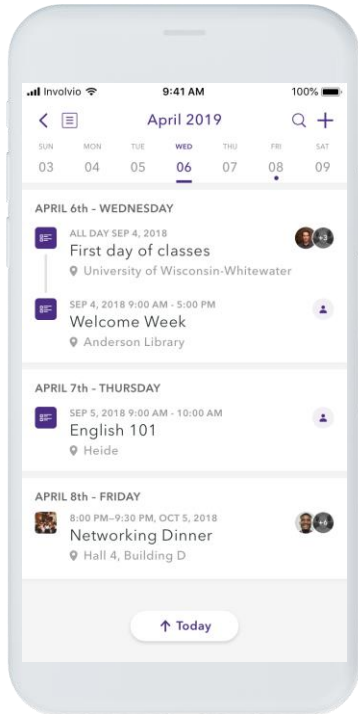

## Messages

Broadcast, 1-1, and group messaging

## Resources

Critical on-demand UW-W resources

Learn more at [uww.edu/icit/services/mobile-apps](http://uww.edu/icit/services/mobile-apps).

Enable the UW-Whitewater Mobile App Canvas External Tool to allow your students to get assignment due notifications inside the app. Directions available at: <https://spaces.uww.edu/x/dYY3AQ>

Look for the UW-Whitewater App + **goosechase** Scavenger Hunt activity as a new NSS resource in Canvas.
