**The workshop held in May** will follow a similar format, but with these goals:

1. Teams share their progress in meeting action plan goals for spring semester.
2. Teams and facilitators provide feedback on progress and discuss barriers and solutions for implementing LEAP more effectively.
3. Digging deeper into elements of LEAP, per team needs.
4. Facilitators work with teams, and teams discuss how to use the lessons learned from spring and other information to revise their action plans for AY 2019-2020.
5. Teams have time to work on action plan revisions. Revised action plans are due **June 7, 2019.**
