

DEPARTMENT & PROGRAM ASSESSMENT:

Simple, Sustainable,
and Useful for Student Learning

Wednesday, March 31 8:50-10:45am, UC 259

This workshop will focus on department and program-level assessment. Participants should bring to the workshop any current assessment documents they have. Also bring laptops if desired (not required). During the workshop, each department/program will be able to review, draft, or revise a report of their current assessment process. We will discuss the basic, no-frills department assessment plan, how to make assessment maximally useful to the department and its students, how to simplify the process, and how to meet requirements of regional and disciplinary accreditors.
