

# February Letter from Andersen & Lenox Libraries

February 2022

<http://uww.edu/library/>

University of Wisconsin - Whitewater

## Wiley Journals—Open Access Option

The Big Ten Academic Alliance has recently negotiated an [Open Access](#) (OA) license agreement with Wiley. Our campus has signed onto the deal.

Are you considering publishing in a Wiley subscription journal? If so, your high-quality content could be made open-access (freely available to the world, which has consistently resulted in [higher future citations](#) and [broader social impact](#) of your work) at no cost to you!

UW-W authors published six articles in Wiley journals last year, allowing us four free OA articles in 2022 under the new agreement. Authors may choose to publish articles as traditional (with no Article Publication Charge) or OA.

See our [Academic Publishing Resources guide](#) for more information about Open Access publishing.

## Navigate Your Students to the Library

Are your undergraduate students struggling with their library research? We can help! Schedule the student an appointment with a Librarian in [Navigate](#), UW-W's student success software.

Faculty and instructors may refer undergraduate students to Librarians using [Navigate](#).

Undergraduate students can also schedule their own consultations with their subject [Liaison Librarian](#) using Navigate.

Faculty and instructors should continue to schedule their own meetings via email or the [Make an appointment with a librarian](#) link on the Library home page.

## The Book Sale ... Is On

A new crop of books has been added to the continuous Book Sale!

Please stop by the book sale kiosk near the Food for Thought Café to find some great reading material. Books are \$1 each.

## Call for Scholarship

The 34<sup>th</sup> annual Scholarship & Creative Achievement event, recognizing faculty and staff scholarship and creative achievements of the previous year, will be held in the Andersen Library in early March 2022. The event is co-sponsored by Academic Affairs and the University Libraries.

Last year's virtual event showcased achievements from academic departments in all five Colleges. We invite all faculty and staff across departments within each College to submit their works.

We hope to see your achievements honored this year! Please fill out the form available at: <https://geturl.uww.edu/2d6>.

Please enter your submissions no later than **Tuesday, February 8th**. Recognition is for achievements accomplished between **July 1, 2020 and December 31, 2021**.

In the future, we will recognize achievements for the calendar year preceding the spring event.

More information is available at <https://libguides.uww.edu/sca>.
