## Stuffed Animal Theatre Adventure

UW-Whitewater students, staff, faculty and Children's Center families, accompanied by a child 6(ish) years of age or younger, are invited to join Andersen Library for the **8th annual Stuffed Animal Sleepover**. Child participants bring a stuffed animal friend to join them in a drama-filled library story time and a craft activity. The stuffed animals get to sleep over and explore the Library after hours. As a special treat, stuffed animal friends will stage and act out some famous drama and movie scenes. Children will pick up their stuffed animal and a photo memory of their animal's theatrical adventures on Saturday, April 4th, or Monday, April 6th.

Craft activities begin at 4:00, followed by stories and songs at 4:30.

We will have two concurrent story times: a lapsit for infants and toddlers, and another for 3's and older.

**Date:** Friday, April 3

**Time:** 4:00-5:00pm

**RSVP:** <http://goo.gl/4WDQSJ>

**Note:** Children need to be accompanied by an adult, but the Library will provide chaperones for the stuffed animals' overnight theatrical adventure.

## Kanopy Alternatives

We announced in the [February Newsletter](#) that Kanopy would change to mediated (i.e., requested) access. Since each Kanopy film costs \$150 for an annual license, we encourage faculty and instructors to explore alternatives. See the [Library's blog](#) for more information on other sources for streaming films.

The Library is very willing to purchase Kanopy videos for classes, but if there are acceptable alternatives we would prefer to save the funds for the videos that are essential and unique.

## Book & Media Orders Wrap Up

Just a reminder that academic departments should wrap up ordering books and media by **Friday, March 6**.

If you need something after the deadline to support a Spring or Summer class, do let us know.

As a reminder, orders may be placed through the [online form](#) or via email: [libacq@uww.edu](mailto:libacq@uww.edu).

## Database Comings & Goings

### New Products & Trials:
