Diversity Forum Art Display

In conjunction with the campus Diversity Forum, UWW Sustainability and the University Libraries are sponsoring an unusual and intriguing socially-conscious art installation display.

The Beehive Collective is an all-volunteer arts collective that creates intricate posters under Creative Commons licenses to illustrate complex concepts relating to global political, social, and environmental issues.

The display features the following four posters as well as interpretive materials:

- ☆ [Free Trade Area of the Americas](#)
- ☆ [Plan Colombia](#)
- ☆ [The Story of MesoAmerica Resiste](#)
- ☆ [The True Cost of Coal](#)

Locations:

- ☆ Andersen Library, UW-Whitewater Campus
- ☆ Lenox Library, UW-Whitewater Rock County Campus

Dates:

- ☆ Monday, February 28 - Friday, April 1, 2022

Cite for Success

The Library's Citation Guides continue to be in high demand, especially at this time of year when research papers are coming due. The Library has excellent online guides for the three major styles used on our campus:

- ☆ [APA \(7th\)](#)
- ☆ [MLA \(8th\)](#)
- ☆ [Turabian \(9th\)](#)

The guides include detailed citation help, online videos, and interactive tutorials to help your students cite for success. Our [Citation Guides](#) page includes a few other styles as well as links to guides for the [Zotero](#) and [End-Note](#) citation management tools.

Celebrate Scholarship With Us!

Please join colleagues from across campus for the 34th annual Scholarship & Creative Achievement event, recognizing faculty and staff scholarship and creative achievements accomplished between July 1, 2020 and December 31, 2021.

Location: Andersen Library Commons

Date: Tuesday, March 8, 2022, 3:30pm

This marks the first year the event has been held in Andersen Library and it will follow a new format.

In addition to a Welcome address by the Chancellor, several nominees for the 2021 faculty Outstanding Research Award will present short lightning talks on their work.

Coffee and beverages will be served.
